1 CONTINUED CROSS—EXAMINATION

2 BY MS. NECHELES:

3 Q Good morning.

4 A Good morning.

5 Q We spoke a little yesterday about the travel schedule.

6 Do you recall that — or I'm sorry, withdrawn.

7 We spoke a little bit yesterday about the campaign?

8 A Yes.

9 Q And you were working on the RNC Hearing; right?

10 A Yes.

11 Q What is the RNC?

12 A The Republican National Committee.

13 Q And there came a point where President Trump won the

14 Republican nomination; right?

15 A Yes.

16 Q And after that, am I correct, that the RNC and the

17 campaign worked extremely closely together?

18 A Yes.

19 Q Because at that point, President Trump is the

20 presumptive Republic — is the Republican nominee, and the

21 RNC wants, just like the campaign wants, to get him nominated;

22 right?

23 A Absolutely. Yes.

24 Q So you guys were basically one unit; right?

25 A That's right.

Lisa Kramsky,

Senior Court Reporter

1 Q And am I correct that everyday the RNC and the campaign  
2 would jointly create a travel schedule or document that there  
3 was a travel schedule for President Trump?

4 A Whenever the President-Elect was traveling, yes,  
5 uh-huh.

6 Q And it would — so it included everything that he was  
7 going to be doing on that day; correct?

8 A Yes.

9 Q And I want to show you and the Prosecutors what has  
10 been marked as L — Defendant's Exhibit L8 and L9.  
11 (Displayed for the aforementioned parties only.)

12 MS. NECHELES: I apologize. I might not have set  
13 this up.

14 (Pause.)

15 MS. NECHELES: Your Honor, if it's okay, I will  
16 come back to it.

17 THE COURT: Yes, of course.

18 MS. NECHELES: We will come back to that.

19 Q So I want you to look, then, at People's Exhibit 69 in  
20 evidence.

21 (Displayed.)

22 Q And the Prosecutor asked you about this on direct; do  
23 you recall that?

24 A Yes.

25 Q And Rhona Graff gave you this list; right?

Lisa Kramsky,  
Senior Court Reporter

1 A Yes.

2 Q And that was the list of contacts that Rhona Graff said  
3 that prior to the time that President Trump became President,  
4 that these were contacts he used in his business; right?

5 A That's right.

6 Q And these are people that were personal friends and  
7 also business acquaintances, you know, that he worked with;  
8 right?

9 A That's right.

10 Q And that's what Rhona Graff created for you; right?

11 A Yes.

12 Q But there were many people on that list and, to your  
13 understanding, is that these were people that President Trump  
14 spoke to a lot before he became President; right?

15 A Spoke to before he became President or might be  
16 interested in speaking to, to invite them to the White House or  
17 something.

18 Q And there were many people on that list who never  
19 called the Oval Office; right?

20 A Many, yes.

21 Q And, to the best of your knowledge, there were many  
22 people on that list that President Trump never called while he  
23 was in the Oval Office; right?

24 A That's correct.

25 Q And I want to turn to People's Exhibit 70, which is an

1 email from you to Rhona Graff.

2 (Displayed.)

3 Q And that was — you sent that to Rhona Graff; right?

4 A Yes.

5 Q And you were asking whether she could pass on a  
6 newspaper clipping; right?

7 A Yes.

8 Q And if you turn to the next page, there is that  
9 newspaper clipping; right?

10 (Displayed.)

11 A Yes.

12 MS. NECHELES: And if we could blow up the top  
13 part.

14 (Displayed.)

15 Q It's a picture of the President the first time he  
16 boarded Air Force One; right?

17 A Yes.

18 Q Kind of an exciting thing; right?

19 A Yes. Exciting, yeah.

20 Q And he sent it to his family?

21 A Uh-huh.

22 Q Right?

23 A Yes.

24 Q Did he send that to a lot of people?

25 A Yeah, uh-huh.

Lisa Kramsky,  
Senior Court Reporter

1 Q He was proud?

2 A He was. He was proud, yeah.

3 Q And he would write a little note to the people on it;  
4 right?

5 A Uh-huh, yes.

6 Q And that was something that President Trump did a lot?

7 A Yes.

8 Q Sending newspaper clippings; right?

9 A Yes, quite often.

10 Q And, in fact, you probably saw him do this thousands of  
11 times; right?

12 A Yes.

13 Q He would send newspaper clippings of something that  
14 happened to people that he knew; right?

15 A That's right.

16 Q And he would write a little note on them; right?

17 A Yeah.

18 Q So, once he sent one to Allen Weisselberg; right?

19 A That's right.

20 Q Like thousands of times he sent them to other people;  
21 right?

22 A Yes.

23 Q And you were asked on many — and so, when you were  
24 asked on direct, you were asked the question whether it was not  
25 unusual for him to have sent this newspaper clipping; do you

Lisa Kramsky,

Senior Court Reporter

1 recall that?

2 A Uh-huh, yes.

3 Q What you meant by that was, it wasn't unusual for him  
4 to send them to everybody, newspaper clippings; right?

5 A That's right.

6 Q But with respect to sending them to Allen Weisselberg,  
7 do you recall what happened other times?

8 A Not that I can recall, no.

9 Q This might have been the only time that he was  
10 President that he sent something like this to Allen Weisselberg;  
11 right?

12 A It could have been, yes.

13 Q And you were asked if Allen Weisselberg — you spoke to  
14 Allen Weisselberg during when he was President; do you recall  
15 that, about checks?

16 A Yes.

17 Q And, am I correct, that you do not have any specific  
18 recollection of Allen Weisselberg and the President — and  
19 President Trump speaking during the first year that President  
20 Trump was in office?

21 A That's correct, yes.

22 Q And you have a vague recollection that at some point  
23 they might have spoken about a check?

24 A Yes, vaguely, uh-huh.

25 Q But you're not even sure that that's true; right?

Lisa Kramsky,  
Senior Court Reporter

1 A No.

2 Q And, in fact, you really don't recall any calls

3 specifically between him and Allen Weisselberg; right?

4 A No. He spoke to so many people.

5 Q And I want to turn back to —

6 MS. NECHELES: I think we're ready for — to look

7 at the L8 and L9 for the witness and the parties only.

8 (Displayed for the aforementioned parties only.)

9 MS. MANGOLD: Your Honor, we object to this and we

10 ask to approach.

11 THE COURT: Sure.

12 (At Sidebar.)

13 ~k~k~k\*~k~k

14 THE COURT: Yes? I'm happy to get to see you all

15 so much.

16 (Handed.)

17 MR. STEINGLASS: We have several papers with this

18 exhibit.

19 I broke this again, Judge. I'm sorry.

20 I think maybe some glue. I'm going to bring some

21 glue.

22 THE COURT: Good idea.

23 MR. STEINGLASS: I think that there are several

24 problems with this.

25 First of all — and I think that this is unlike

Lisa Kramsky,  
Senior Court Reporter

1           some of the exhibits that the defense used on  
2           cross-examination because they were responsive.  
3           This is totally outside of the scope of the direct.  
4           And this is exactly the problem that we identified at the  
5           beginning of this trial, which is, that they hadn't  
6           designated any exhibits, and that your Honor had precluded  
7           any exhibits that — directed, you know, case in chief  
8           exhibits that were not designated by the following day.  
9           They didn't designate any.  
10          So — and we specifically raised the spectre of the  
11          defense trying to make our witnesses their own and back door  
12          that preclusion by trying to put in nonresponsive exhibits,  
13          which are really case in chief exhibits, under the guise  
14          that this is cross-examination.  
15          Now, this is fully beyond the scope of the direct  
16          examination.  
17          We didn't ask a single question about the  
18          President's travel schedule or the President-Elect's travel  
19          schedule.  
20          And to top it all off, these travel schedule  
21          exhibits are from October.  
22          She testified she wasn't even there at Trump Tower  
23          or working with the defendant until after Election Day.  
24          So, this is — this should be precluded, this  
25          entire area.

Lisa Kramsky,  
Senior Court Reporter

1 MS. MANGOLD: I would just add to that, that she  
2 also never testified that she worked on the travel schedule.  
3 She said that she scheduled things in Trump Tower.  
4 THE COURT: Ms. Necheles, what's the purpose of  
5 this?  
6 MS. NECHELES: So, your Honor, we are just putting  
7 it in evidence.  
8 We are not going through them.  
9 She testified on direct about his schedule, and  
10 they have been talking about his schedule.  
11 We just are interested in what happens, actually,  
12 on one of those days, actually, October 26th.  
13 And this is a document that was created jointly by  
14 the campaign and the RNC.  
15 She was working at the RNC that day.  
16 She received these documents every day at the RNC.  
17 On those days — she received these every day when she was  
18 working.  
19 And they were made and kept in the ordinary course  
20 of business.  
21 THE COURT: What's the purpose of this?  
22 MS. NECHELES: It is to show what he was doing on  
23 that one day —  
24 THE COURT: Why?  
25 MS. NECHELES: — on October 26th.

Lisa Kramsky,  
Senior Court Reporter

1           Because it's an issue in this trial in terms of the  
2           People are putting in phone documents about it, about what  
3           happened, his conversations with Michael Cohen.  
4           And this explains what he was doing with Michael  
5           Cohen.  
6           It's one document, your Honor.  
7           THE COURT: I appreciate that, but —  
8           MS . NECHELES: Yes .  
9           THE COURT: Why don't you just ask her about that  
10          day?  
11          MS. NECHELES: What's the People's objection to  
12          this document?  
13          THE COURT: Why don't you just ask: Do you know —  
14          do you know what Donald Trump was doing on October 26th?  
15          MS. NECHELES: She doesn't recall.  
16          THE COURT: She doesn't?  
17          MS. NECHELES: Your Honor, but the business records  
18          can establish it and she can establish this as a business  
19          record.  
20          THE COURT: She was there at the time?  
21          MS. NECHELES: Yes, she was there at the time. She  
22          worked for the RNC.  
23          THE COURT: Who created this?  
24          MS. NECHELES: The RNC and the campaign jointly  
25          created it.

Lisa Kramsky,  
Senior Court Reporter

1 THE COURT: She didn't say that.  
2 MS. NECHELES: She will. I haven't been able to  
3 ask her questions about it yet.  
4 THE COURT: You are getting close?  
5 MS. NECHELES: Yes, I haven't been able to ask her  
6 about this yet.  
7 We weren't able to put it up on the screen. I was  
8 about to establish a business record foundation.  
9 That's what I'm doing, what I was going to do right  
10 now.  
11 MR. STEINGLASS: This is exactly the problem.  
12 We did not ask a single question about scheduling  
13 or the work that she did prior to the election.  
14 Ms. Necheles asked about scheduling and meetings in  
15 January.  
16 But this door is not opened. This is — this is  
17 vintage, and an end run around your Honor's ruling, and it  
18 should not be countenanced.  
19 MS. NECHELES: Judge, I have to say also, these  
20 documents are not like a surprise to the People.  
21 They came to us in discovery.  
22 It's not like I'm showing documents that they have  
23 never seen before.  
24 THE COURT: But the issue is whether you intended  
25 to put them in all along.

Lisa Kramsky,  
Senior Court Reporter

1 MS. NECHELES: I actually just thought about this  
2 last night.

3 We never intended to put it in before. I thought  
4 of this last night.

5 I never thought of putting it in before then.

6 THE COURT: You need to lay a rock solid  
7 foundation. If you can even lay the foundation for this,  
8 then I will allow it.

9 But if you are unable to, then it's not coming in.

10 MS. HOFFINGER: Those are ours. Thanks.

11 (Side bar concluded.)

13 CONTINUED CROSS-EXAMINATION

14 BY MS . NECHELES:

15 Q Ms. Westerhout, do you recognize that document in front  
16 of you?

17 A I do, yes.

18 Q And are — were those — is that a travel schedule that  
19 was created by the Trump campaign and the RNC jointly?

20 A It appears to be, yes.

21 Q And were those travel schedules created every day that  
22 President Trump was traveling during the campaign?

23 A Yes.

24 Q And were they shared with the RNC and the campaign?

25 A I believe so, yes.

Lisa Kramsky,  
Senior Court Reporter

1 Q And you were working at the RNC at that point; am I

2 correct?

3 A Yes.

4 Q And would you receive these travel schedules?

5 A I don't believe I personally received them.

6 Q But, would you see them?

7 A Probably, yes.

8 Q And you saw them during the course of the — when you

9 were working at the RNC; right?

10 A Yes.

11 Q And when you say "probably," you are not sure whether

12 you saw these exact ones; correct?

13 A That's right, uh-huh.

14 Q But you saw the travel schedules on a regular basis;

15 right?

16 A Uh-huh, yeah.

17 Q And you knew that they were created in the ordinary

18 course of business of the RNC and the campaign; correct?

19 A Yes.

20 Q And you knew that they were kept in the ordinary course

21 of business of the RNC and the campaign; right?

22 A That's right.

23 Q And it was the ordinary course of business for the

24 RNC and the campaign jointly to create and keep these records;

25 correct?

Lisa Kramsky,

Senior Court Reporter

1 A Yes.

2 MS. NECHELES: I offer them in evidence, your

3 Honor.

4 MS. MANGOLD: May I voir dire, your Honor?

5 THE COURT: Yes.

6 \*\*\*\*\*

7 VOIR DIRE EXAMINATION

8 BY MS. MANGOLD:

9 Q Ms. Westerhout, do you have any specific recollection

10 of seeing these documents?

11 A Umm, yes.

12 Q These particular documents in front of you?

13 A Yes. My lawyer showed it to me.

14 Q But, in —

15 A I'm sorry.

16 Q During — contemporaneously with the underlying events

17 in October of 2016, do you have an independent recollection of

18 receiving these personally?

19 A No.

20 Q When did your lawyer have you review these?

21 And, please, when you answer, don't go into any discussion

22 that you had with your lawyer.

23 A This morning.

24 MS. MANGOLD: We object.

25 THE COURT: Please approach.

Lisa Kramsky,  
Senior Court Reporter

1 (At Sidebar.)

2 \*\*\*\*\*

3 THE COURT: So the People called this witness;  
4 right?

5 I don't know how they got them this morning? How  
6 did they get them this morning?

7 MS. NECHELES: I sent them this morning. I called  
8 them and then I sent it this morning.

9 THE COURT: Because you intended to present it to  
10 the witness?

11 MS. NECHELES: It just happened that I thought of  
12 it last night.

13 MR. STEINGLASS: And we didn't even get notice of  
14 this until the witness was on the stand in the middle of  
15 questions.

16 I mean, this is just sandbagging.

17 MS. NECHELES: Judge, I just sent them this morning  
18 and then maybe ten minutes before I walked in here that I  
19 was able to talk to them.

20 She did recognize many them. She said it.

21 This is really a very last minute thing.

22 THE COURT: But you were trying to lay a  
23 foundation.

24 You already knew that she didn't see this, and you  
25 already knew her answer.

Lisa Kramsky,  
Senior Court Reporter

I And this is not even your witness.

2 MS. NECHELES: Your Honor, of course, I did.

3 I, of course, I tried to present it to her.

4 THE COURT: This is something that the People asked

5 for months before this trial, that you did not give notice

6 of, what the exhibits were that you were going to use.

7 So for two reasons I'm keeping it out:

8 Reason number one, you should have given it to the

9 People. You did not present it to them prior to her

10 testifying.

11 And, two, her answers are far from that which she

12 can establish this as a business record.

13 I'm not allowing it in.

14 MR. BOVE: Judge, may I respond on one issue?

15 We are getting the flip side of this with exhibits

16 that are being created and sent to us the night before.

17 Judge, they are summarily giving us exhibits in

18 that way —

19 THE COURT: We can discuss that later.

20 MR. BOVE: — so it should be reciprocal.

21 THE COURT: We can discuss that later.

22 (Side bar concluded.)

23 \*\*\*\*\*

24 CONTINUED CROSS-EXAMINATION

25 BY MS. NECHELES:

Lisa Kramsky,  
Senior Court Reporter

I Q Okay. Thanks. So I want to —  
2 THE COURT: I'm sorry, your motion to introduce  
3 this into evidence is denied.  
4 MS. NECHELES: Thank you, your Honor.  
5 Q I want to turn your attention to the questions that you  
6 were asked about checks,  
7 A Uh-huh.  
8 Q All right. And you were asked a lot of questions about  
9 how checks were sent.  
10 Do you recall that?  
11 A Yes.  
12 Q And I want to show you what is Exhibit 66 in evidence.  
13 (Displayed.)  
14 MS. NECHELES: And that can be shown to everybody.  
15 Q So this is an email chain about how — about addresses,  
16 about how to send stuff to the White House; right?  
17 A Yes.  
18 MS. NECHELES: And if we can blow up the bottom  
19 most part, the bottom entry.  
20 (Displayed.)  
21 \*\*\*\*\*  
22 MS. NECHELES: Thank you.  
23 Q And there were questions being asked about how to —  
24 oh, that was John McEntee saying, "Can you put me in touch with  
25 Rebecca because Keith is leaving and checks need to be sent to

Lisa Kramsky,  
Senior Court Reporter

1           him;" right?

2           A Correct.

3           MS. MANGOLD: Objection.

4           THE COURT: Overruled.

5           Q And that occurred at some point along the lines when  
6           you were sending — you know, Keith Schiller was leaving the  
7           White House; right?

8           A Yes.

9           Q And I want to move a little bit back.

10          MS. NECHELES: And we can take that down.

11          Q And I want to move a little bit back to the first time  
12          when you started, when you got to the White House.  
13          And you said, yesterday, you didn't know anything when you  
14          got there; right?

15          A No.

16          Q You had been working on the transition team, but there  
17          was really no transition for you; right?

18          A That's right.

19          Q And you walked into the White House and you didn't know  
20          how President Trump would get personal items; right?

21          A No, I did not.

22          Q And you didn't know how his wife would get personal  
23          items; right?

24          A No.

25          Q And there was a lot of security about things that get

Lisa Kramsky,  
Senior Court Reporter

1 sent to the White House; wasn't there?

2 A Yes.

3 Q And that includes checking any mail or items that get  
4 received; right?

5 A That's right, uh-huh.

6 Q So at some point you were told that there was a Post  
7 Office Box that had been set up for the President to get  
8 personal items; right?

9 A That's right.

10 Q And that was also true for the First Lady; correct?

11 A Yes.

12 Q And then it turned out that that was a really a slow  
13 way to receive things; right?

14 A Yes.

15 Q And because of the security; correct?

16 A Yes, uh-huh.

17 Q And am I correct that it was also slow because things  
18 would get lost; right?

19 A Yeah, uh-huh.

20 Q And that some people —sometimes you would find out  
21 that things had been sent to the White House and that  
22 President — for President Trump personally, and he never  
23 received it; right?

24 A Yes, uh-huh.

25 Q And President Trump told you that friends of his were

Lisa Kramsky,

Senior Court Reporter

1 feeling that he was being disrespectful to them; right?

2 MS. MANGOLD: Objection.

3 THE COURT: Sustained.

4 Q Well, he was, President Trump was upset that he was not  
5 getting personal emails or personal information — personal  
6 documents and letters from friends of his; right?

7 MS. MANGOLD: Objection.

8 THE COURT: Sustained.

9 Q Well, wasn't that a problem, about getting mail to  
10 President Trump through the White House?

11 A Yes.

12 Q And he, President Trump, liked to return calls  
13 promptly, you testified yesterday?

14 A Yes.

15 Q And you testified yesterday that he felt like it was  
16 disrespectful if he didn't return calls promptly; right?

17 A Yes.

18 MS. MANGOLD: Objection.

19 THE COURT: Overruled.

20 Q And so, you all tried to figure out a way that he could  
21 get his mail promptly; right?

22 A That's right.

23 Q And the same for the First Lady, that she could get  
24 things promptly; right?

25 A That's right.

Lisa Kramsky,  
Senior Court Reporter

1 Q And it was the same problem for Ivanka Trump, right,  
2 that she could get personal things promptly; right?

3 A I don't have specific knowledge of Ms. Trump, but  
4 probably.

5 Q And the idea was — had come up that things would be  
6 sent to Keith Schiller?

7 A Yes.

8 Q Right?

9 A Yes.

10 Q And that is how it came to be that Keith Schiller  
11 started to receive these checks personally; right?

12 A That's right, yes.

13 Q And when Keith Schiller — and he received other mail  
14 that was personal for President Trump; right?

15 A Right.

16 Q And he also received things that were personal for  
17 Melania Trump; right?

18 A Yes.

19 Q Melania Trump?

20 A The First Lady; right.

21 Q Because the First Lady also had the same problem;  
22 right?

23 A Yes.

24 Q And then Keith Schiller would bring in these items and  
25 give them to you; right?

Lisa Kramsky,  
Senior Court Reporter

1 A That's right.

2 Q And you would give them to President Trump; right?

3 A Yes.

4 Q And when Keith Schiller left, it was transferred to  
5 another person that the email got sent, that we just saw;  
6 right?

7 A Yes.

8 Q And then when that other person left, it became your  
9 job; right?

10 A That's right.

11 Q And that's what this whole testimony about Fed Ex  
12 packages was about; right?

13 A Yes.

14 Q It was a way that items could be sent to you and you  
15 could get them promptly to President Trump; right?

16 A That's right.

17 Q And is it your understanding that this work-around  
18 existed in prior administrations as well?

19 MS. MANGOLD: Objection.

20 THE COURT: Sustained.

21 Q Well, wasn't it a new work-around that you all came up  
22 with; was it?

23 MS. MANGOLD: Objection.

24 THE COURT: Overruled.

25 MS. NECHELES: Judge, can we approach?

Lisa Kramsky,  
Senior Court Reporter

1 Thank you.

2 Q It wasn't a new work-around that you all came up with;  
3 was it?

4 Was it your understanding that this problem with getting  
5 items promptly to the President of the United States existed for  
6 everybody who is in that Office?

7 MS. MANGOLD: Objection.

8 THE COURT: Overruled.

9 A I don't have any knowledge of what it was like in  
10 previous administrations, but I can't imagine it would have been  
11 any different.

12 Q Now, when you received — you know, just focusing —  
13 when you received whatever packages there was, you would give  
14 them to President Trump or to the First Lady; correct?

15 A Yes.

16 Q And you had nothing to do with giving documents or  
17 packages to Ms. Trump, Ivanka Trump?

18 A No, uh-uh.

19 Q And do you know how she got them?

20 A Ummm, I don't.

21 Q And you would leave whatever items came for President  
22 Trump on his desk; right?

23 A That's right.

24 Q And with respect to the checks, they came in a folder;  
25 am I correct?

Lisa Kramsky,  
Senior Court Reporter

1 A Yes.

2 Q And if you had — if he had the time when you gave them  
3 to him, he would sign them?

4 A Yes. If he had the time and if he was in the office,  
5 yes.

6 Q And you said he signed a tremendous amount of items;  
7 right?

8 A Yes.

9 Q And there were proclamations that he was signing?

10 A Yes, commissions, proclamations, executive orders,  
11 memos, letters.

12 Q And that would take up many hours of his day; right?

13 A Yes.

14 Q Because he didn't not like to have that in printed  
15 form; right?

16 A No.

17 Q He felt that if someone was getting his signature, they  
18 deserved his real signature; right?

19 A Yes, absolutely.

20 MS. MANGOLD: Objection.

21 THE COURT: Sustained.

22 MS. MANGOLD: Move to strike.

23 Q And —

24 MS. MANGOLD: Move to strike.

25 THE COURT: Stricken from the record.

Lisa Kramsky,  
Senior Court Reporter

1 Q And, were there times, you know, with all these —  
2 would you say it was hundreds of documents that he was signing?  
3 A Not every day. But sometimes, uh-huh.  
4 Q And this was in between other things that he was doing;  
5 right?  
6 A Oh, yes, uh-huh.  
7 Q And so, would you see him signing things without  
8 reviewing them?  
9 A Yes.  
10 Q And would you see him signing checks without reviewing  
11 them?  
12 A Yes.  
13 Q And you would see him signing checks while he was on  
14 the phone; right?  
15 A Yes.  
16 Q Would you see him sometimes signing checks when he was  
17 meeting with people?  
18 A Yes.  
19 Q And there were different types of people that he was  
20 meeting with; right?  
21 A Yes.  
22 Q Sometimes he was meeting with the top foreign leaders  
23 in the world; right?  
24 A Yes, uh-huh.  
25 Q And other times he was meeting with you?

Lisa Kramsky,  
Senior Court Reporter

1 A Yeah, uh-huh.

2 Q And so, he wouldn't be signing the checks when he was  
3 meeting with the top people in the world?

4 A Yes.

5 Q But maybe when he was meeting with you, talking about  
6 something else, he would also be signing documents?

7 A Yes, talking about the schedule or anything that had  
8 been going on.

9 Q The Chief of Staff that he would be meeting with?

10 A Yes.

11 Q And other people, he would be doing that?

12 A That's right.

13 Q He was a person who multitasked; right?

14 A Definitely.

15 Q And now, I want to ask you about some other items that  
16 we are showing.

17 MS. NECHELES: If we could show Exhibit 71. And  
18 that's in evidence. People's Exhibit 71. We can show it to  
19 everybody.

20 (Displayed.\_

21 Q And Madeleine Westerhout sent you this, right — oh,  
22 you sent this to her and it says: "Rhona, can you help me with  
23 this?" Right?

24 A Yes.

25 Q And if we can turn to the next page. It's an invoice;

1 right?

2 A Yes.

3 Q And this is a personal expense of President Trump;  
4 right?

5 A Right.

6 Q And it was sent to you, and with the question from  
7 Rhona; right?

8 A Yes.

9 Q And she wanted to know what to do with this; right?

10 A Right.

11 Q And in your experience, Rhona Graff was very careful  
12 about not wanting to spend the President's money without his  
13 approval; right?

14 A Yes. Uh-huh.

15 Q And so she wanted to check with him; right?

16 A Yes.

17 Q It's his money; right?

18 A Yes.

19 Q And so, she would send you this kind of thing and ask  
20 him?

21 A Uh-huh, yes.

22 Q And he answered it with one word; right?

23 A Right.

24 Q Just "pay;" right?

25 A Right.

Lisa Kramsky,  
Senior Court Reporter

1 Q Boom! It was off his desk; right?

2 A Right.

3 Q Because he was extremely busy; right?

4 A Yes.

5 Q And I want to turn your attention now to another  
6 exhibit.

7 MS. NECHELES: I'm sorry, I just don't know the  
8 exhibit number.

9 (Pause.)

10 MS . NECHELES: People' 5 Exhibit 75 .

11 (Displayed.)

12 \*\*\*\*\*

13 Q Yes. And do you recall being shown this on direct,  
14 this is a series of emails about President Trump's — about a  
15 frame that President Trump wanted?

16 A Yes.

17 Q And, again, Rhona Graff was asking questions about the  
18 price of the frame; right?

19 A Right.

20 Q And just to be clear, this was — President Trump was  
21 putting in the credenza, in back of where he sat, a number of  
22 photographs; right?

23 A Yes.

24 Q And they were photographs of people who were important  
25 to him; right?

Lisa Kramsky,  
Senior Court Reporter

- 1 A Yes, his family.
- 2 Q He had a photograph of his father?
- 3 A Uh-huh.
- 4 Q He had a photograph of his wife and children; is that
- 5 correct?
- 6 A Yes, uh-huh.
- 7 Q And he wanted a photograph of his mother?
- 8 A Yeah.
- 9 Q And so he wanted a nice frame?
- 10 A That's right.
- 11 Q And those frames — those photographs, when he would be
- 12 sitting at the Resolute Desk, they would be right behind him;
- 13 right?
- 14 A That's right.
- 15 Q And often pictures that were taken would show the
- 16 photographs behind him; right?
- 17 A That's right, uh-huh.
- 18 Q And so, he was looking for a very nice frame; right?
- 19 A Yes.
- 20 Q But Rhona Graff, again, was not comfortable spending
- 21 the President's money; right?
- 22 A To my understanding, yes.
- 23 Q And so you said on direct you made an executive
- 24 decision to just okay this; right?
- 25 A Yes. I don't remember specifically, but that could

Lisa Kramsky,  
Senior Court Reporter

1 have very well been the case.

2 Q Because when President Trump was in the White House,  
3 you understood he was too busy to be dealing with this kind of  
4 thing; right?

5 A Yes.

6 Q His life may have been different before when he was  
7 just running a major company in the United States, but it was  
8 different when he was running the United States; right?

9 MS. MANGOLD: Objection.

10 THE COURT: Overruled.

11 A That's right.

12 Q Now, you were asked some questions about — or — you  
13 were in the White House, am I correct, when there came — there  
14 was a story about Stormy Daniels; right?

15 A That's right.

16 Q And you were working with President Trump, very closely  
17 with him at that point; right?

18 A Yes.

19 Q And did there come a time when there was a story about  
20 Stormy Daniels in the paper?

21 A Yes.

22 Q And did you have a conversation with President Trump  
23 about that?

24 A Yes, I did.

25 Q And based on that conversation, what was your

Lisa Kramsky,  
Senior Court Reporter

1 understanding of his feelings about this story?

2 A That he was very upset by it.

3 Q And why?

4 A Ummm, my understanding is that he knew it would be  
5 hurtful to his family.

6 Q And that was based on what he said to you; was that  
7 your understanding?

8 A Ummm, I don't believe he specifically said that, but I  
9 could just tell that the whole situation was very unpleasant.

10 MS. MANGOLD: Objection.

11 Move to strike.

12 THE COURT: Sustained.

13 The answer is stricken.

14 Q Well, when you say he didn't specifically say that, he  
15 spoke about his family?

16 A Meaning, he didn't specifically speak about his family  
17 in that conversation.

18 Q Okay.

19 MS. NECHELES: If I may have a moment.

20 (Defense counsel confer.)

21 MS. NECHELES: I have no further questions.

22 THE COURT: Any redirect?

23 MS. MANGOLD: Yes, your Honor.

24 \*\*\*\*\*

25 REDIRECT EXAMINATION

Lisa Kramsky,  
Senior Court Reporter

1 BY MS. MANGOLD:

2 Q Good morning, Ms. Westerhout.

3 A Good morning.

4 Q So, on cross-examination Ms. Necheles was just asking  
5 you about the method of sending checks via Fed Ex to the White  
6 House; right?

7 A Yes.

8 Q And you testified that there were certain standard  
9 security protocols in place at the White House where normal —  
10 for normal channels of mail?

11 A Yes.

12 Q Was the method of sending checks through Fed Ex to  
13 somebody's personal address an end run around the White House  
14 security protocols?

15 A No. Not to my understanding, no. It was just a way to  
16 get things to him faster.

17 Q And they wouldn't go through the typical screening  
18 process for mail at the White House; right?

19 A That's right.

20 Q Now, you did not meet Mr. Trump for the first time  
21 until after the election; right?

22 A That's right.

23 Q And was that in November of 2016?

24 A Yes.

25 Q And you testified on cross-examination that you really

Lisa Kramsky,  
Senior Court Reporter

1 had not spent any time with Mr. Trump until January of 2017;  
2 right?

3 A Yes, not a significant amount of time.

4 Q And in the period of November 2016 through  
5 January 2017, in that transition period, you testified that you  
6 worked out of Trump Tower?

7 A Yes.

8 Q Did you sit on a different floor from Mr. Trump?

9 A Yes.

10 Q And did the RNC leadership in general sit on a  
11 different floor from Mr. Trump?

12 A Yes.

13 Q On cross-examination, Ms. Necheles didn't ask you if  
14 you had spoken to her before; right?

15 A She did not.

16 Q Have you spoken to Ms. Necheles before?

17 A I have.

18 Q How many times?

19 A Once.

20 Q And when did you last speak to her?

21 A Two nights ago, Wednesday night.

22 Q On cross-examination you told Ms. Necheles that  
23 Mr. Trump did not freak out about the Access Hollywood tape;  
24 right?

25 A Uhhhh. Did I? I don't recall saying that.

Lisa Kramsky,  
Senior Court Reporter

1 Q The tape came out in October of 2016; right?

2 A Yes.

3 Q And you did not meet Mr. Trump until after the election  
4 in November of 2016; right?

5 A That's right.

6 Q And you didn't spend any real time with him until  
7 January 2017; right?

8 A Not a significant amount of time, yes.

9 Q So you have no firsthand knowledge about his reaction  
10 to the Access Hollywood tape; right?

11 A No firsthand knowledge, no.

12 Q And you testified on cross-examination that while  
13 serving as President, Mr. Trump signed commissioned  
14 proclamations, executive orders, memos and other documents;  
15 right?

16 A Yes.

17 Q And it is your testimony that Mr. Trump signed those  
18 documents without reviewing them?

19 A Not all of them. But, he had people who did that for  
20 him that he trusted to prepare documents for his signature, so  
21 by the time they got to his desk, it was ready for his  
22 signature.

23 Q And you testified on direct that you worked at a  
24 geopolitical consulting firm?

25 A Yes.

Lisa Kramsky,  
Senior Court Reporter

1 Q Is that American Global Strategies?  
2 A Yes.  
3 Q And I think you testified that you are the Chief of  
4 Staff for the Chairman?  
5 A Yes.  
6 Q Who is the Chairman?  
7 A Ambassador Robert O'Brien.  
8 Q Was he the — was he President Trump's National  
9 Security Advisor from 2019 to 2021?  
10 A Yes, he was.  
11 MS. MANGOLD: No further questions.  
12 THE COURT: Any recross?  
13 MS. NECHELES: Yes, your Honor.  
14 \*\*\*\*\*  
15 RECROSS—EXAMINATION  
16 BY MS . NECHELES:  
17 Q You were asked just whether you met with me prior to  
18 this?  
19 A Yes.  
20 Q And we met for about an hour?  
21 A That's right.  
22 Q By Zoom the other night?  
23 A That's right.  
24 Q Did you meet with the Prosecutor before this?  
25 A I did.

Lisa Kramsky,  
Senior Court Reporter

1 Q How many times?  
2 A Three.  
3 Q And when was the most recent time?  
4 A Wednesday morning.  
5 Q And those were for hours?  
6 A Yes.  
7 Q And just to reiterate, President Trump was very close  
8 to his family; right?  
9 A Yes.  
10 Q And it was your impression that he was very upset with  
11 this all?  
12 MS. MANGOLD: Objection.  
13 THE COURT: Sustained.  
14 MS. NECHELES: No further questions, your Honor.  
15 THE COURT: Anything else?  
16 MS. MANGOLD: Nothing further, your Honor.  
17 Thank you.  
18 You can step down.  
19 (Witness excused.)  
20 \*\*\*\*\*

23 THE COURT OFFICER: Witness entering.  
24 (The witness, Daniel Dixon, entered the courtroom  
25 and stepped up to the witness stand.)

Lisa Kramsky,  
Senior Court Reporter

1 \*\*\*\*\*

2 THE COURT OFFICER: Step to the other officer.

3 Step this way, sir.

4 THE WITNESS: Okay.

5 THE COURT OFFICER: Step up here.

6 Remain standing. And raise your right hand and

21 MR. CONROY: Thank you.

22 \*\*\*\*\*

Lisa Kramsky,  
Senior Court Reporter

1 pull your chair in a little bit and speak into the microphone.

2 Mr. Dixon, are you employed?

3 A Yes.

4 Q Where do you work?

5 A AT&T.

25 A Yes.

Lisa Kramsky,  
Senior Court Reporter

1 Q Before testifying today, did you have opportunity to  
2 review a thumb drive containing a set of electronic documents?

3 A Yes.

4 MR. CONROY: Can I hand the witness a thumb drive.

5 (Handed.)

6 Q Is that the thumb drive that you reviewed?

7 A Yes.

8 Q How do you know?

9 A It has my initials and the date.

22 right. There are records for 17 different phone numbers?

23 A Yes.

24 Q Of which six belong to customers of AT&T?

25 A Yes.

Lisa Kramsky,  
Senior Court Reporter

1 Q And the other eleven are just call records that AT&T

3 A Correct.

4 Q Were those records for the non-AT&T customer records,  
5 do those call detail records only reflect calls that were

7 received from an AT&T customer?

8 A Yes.

9 Q Do all of these phone records, both the subscriber and

25 an automated process and stored in an electronic database?

Lisa Kramsky,  
Senior Court Reporter

1 A Yes.

2 Q Does AT&T rely on the accuracy of that automated

4 A Yes.

5 Q And can AT&T employee capture data from the electronic

6 database, and are they under a business duty to do so

7 accurately?

8 A Yes.

9 MR. CONROY: Judge, at this point, I would offer

10 this as People's 400.

11 MR. BOVE: No objection.

12 THE COURT: People's 400 is accepted into evidence.

13 (So marked in evidence.)

14 \*\*\*\*\*

15 MR. CONROY: And just, just for the record, this is

16 subject to the Sealing Order that was dated April 19th.

17 THE COURT: Okay.

18 MR. CONROY: Now, if we could pull up three pages

19 from this exhibit that have been redacted.

20 And beginning with page — with Bates stamp DANY

21 GJ and then 60 and the number 38.

22 (Displayed.)

23 Q Do you recognize this?

24 A Yes.

25 Q What is this?

Lisa Kramsky,  
Senior Court Reporter

1 A A subscriber report.

4 A Yes.

5 Q Do the pages you are viewing on the screen contain  
6 redactions?

10 but that are in evidence as People's 400?

11 A Yes.

12 Q Were the redacted and unredacted pages the same, but  
13 for the redactions?

14 A Yes.

15 Q I just want to ask you about a few of the boxes in  
16 here.

17 What does "financially liable party" mean?

18 A It's the person responsible for paying the bill.

19 Q What is the billing party?

20 A The billing party is where the bill is mailed to.

21 MR. CONROY: And if we could pull up the user  
22 information.

23 (Displayed.)

24 A That's the registered user for the account.

25 Q So is it — could it be different — could the billing

Lisa Kramsky,

Senior Court Reporter

1 party be different from the user information?

2 A Yes.

3 Q Why is that?

4 A Because the person who pays the bill is not necessarily  
5 the one using the phone number.

6 Q Is that something you might often see in a situation  
7 where a business gives phones to employees?

8 A Yes.

9 Q So the business might be the billing party, but the  
10 individual employee who uses the phone might be in the user  
11 information?

12 A Yes.

13 Q What is the MSISDN?

14 A That's the phone number on the account.

15 Q And what does "MSISDN Active" mean?

16 A The date it was active.

17 Q So, it's sort of a date range?

18 A Yes, a date range.

19 MR. CONROY: If we could take that down.

20 And if we could — I want to pull up now an  
21 example of call detail records.

22 (Displayed.)

23 Q Do the call detail records within People's Exhibit 400  
24 contain three different types of reports?

25 A Yes.

Lisa Kramsky,  
Senior Court Reporter

1 Q What are those three reports?

2 A Mobility, wireline, and international.

3 Q Starting with mobility.

4 What is a mobility report?

5 A Mobility is the communication between a mobile and —  
6 any mobile device and a mobile device, two mobile devices.

7 Q So a phone call from a cell phone to a cell phone?

8 A Yes.

9 Q What is "International"?

10 A That's when the international network was used to make  
11 or help receive a phone call.

12 Q And what is wireline?

13 A Wireline is the use of AT&T's wireline—side of the  
14 network to help make or receive a phone call.

15 Q Is that sometimes called hardline?

16 A I'm sorry?

17 Q Is that sometimes called hardline? Or is that —

18 A Yes. Landline.

19 Q Landline, sorry. That's what I meant, landline.

20 Is the mobility report further subdivided into different  
21 categories of data?

22 A Yes.

23 Q And do those include invoice usage, data usage, SMS  
24 usage and SMS email usage?

25 A Yes.

Lisa Kramsky,  
Senior Court Reporter

1 Q Can you briefly describe what invoice usage means?

2 A Invoice usage shows the transactional logs between  
3 phone calls.

4 Q What does SMS usage mean?

5 A That also shows the transactional logs between text  
6 messages.

7 Q Does — would that include text messages made through  
8 encrypted apps?

9 A No.

10 Q Do they include iMessages?

11 A No.

12 Q Generally speaking, for the two iPhone users that are  
13 messaging one another, would you expect to see those  
14 transactions in the call detail records?

15 A It would be a transaction that's captured in a data  
16 session.

17 Q In a data session?

18 A A data session, yes.

19 Q And when you — what does that mean? Can you explain  
20 what that means?

21 A So, on our data records, we show logs of different  
22 sessions.

23 Just a length of the session, we are unable to determine  
24 what took place during those sessions.

25 Q Okay. And, actually, the next thing we are going to

Lisa Kramsky,  
Senior Court Reporter

1 talk about is, what does data usage mean.

2 What are some of the types of activity that would be  
3 captured in a data usage report?

4 A Streaming movies. Anything related to the internet.

5 Q And when you look at a data usage report, do you just  
6 see amounts of data that was used, or do you see what that data  
7 was used to do?

8 A Only amounts of data being used.

9 Q So, you have no way of understanding, you just know  
10 X amount of data was used, but you don't know if somebody was  
11 streaming a movie or iMessaging or something else?

12 A Correct.

13 Q Can you briefly tell us what SMS email usage means?

14 A SMS email is just basically a text to or from an email  
15 address.

16 Q For all of the different types of call detail records  
17 you just described, what time zone are AT&T's records recorded  
18 in?

19 A UTC.

20 Q And what is UTC?

21 A Universal Time Coordinated.

22 Q And is that true for all types of AT&T records?

23 A Yes.

24 MR. CONROY: If we could now pull up another  
25 redacted page from this exhibit.

Lisa Kramsky,  
Senior Court Reporter

1 And this page bears Bates stamp DANY GJ 00002822.

2 Q Mr. Dixon, is this a representative sample of an AT&T  
3 invoice usage record?

4 A Yes.

5 Q And I just want to ask you about a few of the columns.  
6 What does "CONN" stand for?

7 A Connection.

8 Q And what is Seizure Time?

9 A "Seizure Time" is the moment a person hits call up  
10 until the recipient answers the phone.

11 Q And are both Connection and Seizure Time in UTC, as we  
12 just discussed?

13 A Yes. The connection times is a timestamp.

14 Q What is "ET?"

15 A "ET" is the length of the connection.

16 Q And does "ET" stand for elapsed time?

17 A Elapsed time.

18 Q And is that in minutes and seconds?

19 A Yes.

20 Q What does originating number and terminating number  
21 mean?

22 A That means, originating is who made the call.

23 Terminating is who received the call.

24 Q Is one single phone call sometimes reflected on more  
25 than one row in the call detail records?

Lisa Kramsky,  
Senior Court Reporter

1           A Yes.  
2           (Whereupon, at this time, Principal Court  
3           Reporter Susan Pearce-Bates relieved Senior Court  
4           Reporter Lisa Kramsky as the official court reporter.)

                  Lisa Kramsky,  
                  Senior Court Reporter

1 (Continued from the previous page.)  
2 Q Could you briefly explain why that is?  
3 A So, these reports are used for network and billing  
4 purposes. They show the raw records, how that call flows  
5 through the network.  
6 Q So, if it had more than one entry, would that just  
7 mean it hit different parts of the network while the call was  
8 going on?  
9 A Correct.  
10 MR. CONROY: I have no further questions.  
11 THE COURT: Your witness.  
12 MR. BOVE: Thank you, Judge.  
13 THE COURT: You may inquire.  
14 MR. BOVE: Thank you.  
15 CROSS-EXAMINATION  
1 6 BY MR . BOVE:  
17 Q Good morning, Mr. Dixon.  
18 My names is Emil Bove and I represent President Trump,  
19 who is over here to the left.  
20 I just want to talk in a little bit more detail about  
21 some of the records we just covered to make sure I understand  
22 them.  
23 A Okay.  
24 Q I would like to start with the subscriber record.  
25 MR. BOVE: And, Mr. Bernik, if we can bring up

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 the same page that the Government had up from Government's  
2 Exhibit 400 with Bates ending 038.

3 Can we ask the Government to bring up that page?  
4 If you can zoom in, please, on the box that has  
5 the MSISDN.

6 Thank you.

7 Q So, Mr. Dixon, in the top left, that is MSISDN, which  
8 is the phone number you said?

9 A Yes.

10 Q To the right of that cell it says, IMSI.

11 Do you see that?

12 A Yes.

13 Q And that stands for International Mobile Subscriber  
14 Identity, right?

15 A Yes.

16 Q And the IMSI is linked to an AT&T's user account,  
17 right?

18 A Well, it's the serial number of a SIM card.

19 Q Right. So, it is a SIM card that is linked to the  
20 AT&T account that we are looking at?

21 A At that time, yes.

22 Q And a SIM card can be pulled out of one phone, one  
23 device, and put into another, correct?

24 A Yes.

25 Q And so, this IMSI is not necessarily linked to a

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 particular physical device, right?

2 A Correct. It can be taken out. It's just the serial

3 number of a SIM card.

4 MR. BOVE: If we can zoom in on status changes

5 there at the bottom, please.

6 Q Mr. Dixon, I wanted to ask about the cells that read

7 XMKT Move .

8 Do you see that?

9 A Yes.

10 Q And that means that that is a cross market move,

11 right?

12 A I believe so.

13 Q That is a situation where the user's account

14 transitions from one account number to another within AT&T's

15 records, right?

16 A Usually, yes.

17 Q So, here this record indicates that on January 23,

18 2017, this was a cross market move associated with this Michael

19 Cohen account?

20 A Yes.

21 Q And so, for the record that we are looking at, this

22 user account, the subscriber information begins January 23,

23 2017?

24 A Can you repeat that?

25 Q Because of the cross market move field that we are

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 looking at, what that suggests is that the subscriber  
2 information we are looking at begins on that period?

3 A We would have to look in the other boxes because this  
4 is — the status change history only shows changes of the  
5 account. So, it could have been created before and something  
6 took place on January 23, 2017.

7 Q Right. The account could have been created before and  
8 then the phone number transitioned onto this account by a cross  
9 market move?

10 A Possibly.

11 Q Do you want to look at a different piece of this page  
12 to try to figure that out?

13 A Could you zoom back out?

14 So, it was — it would seem as if on January 23rd, the  
15 number left this account.

16 MR. BOVE: And if we can zoom back in on that  
17 box, please.

18 Thank you.

19 Q Do you see that the top two rows, contract accepted  
20 and contract acceptance required?

21 A Yes.

22 Q What does that indicate?

23 A I am not familiar with it.

24 MR. BOVE: Now, we can take that down.

25 Thank you.

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 Q I want to talk a little bit about the AT&T billing  
2 records.

3 And those are, basically, records of calls involving  
4 this phone number over AT&T's network, right?

5 A Yes.

6 Q And you can't tell from the records themselves who  
7 actually spoke, right?

8 A Correct.

9 Q And, obviously, these records don't reflect the  
10 contents of the calls, right?

11 A Correct.

12 Q And you are familiar with the concept of a pocket  
13 dial, right?

14 A Correct.

15 Q So, it's possible that that could happen, somebody  
16 picks up the phone, the phone gets picked up on the other end  
17 but there is no communication, right?

18 A Yes.

19 Q In these records, there is a lot of data here, but the  
20 data also has limits, right?

21 A It's showing the transactional logs.

22 Q Transactional logs meaning the amount of time that the  
23 one phone number was connected to the other, right?

24 A Yes.

25 Q And also that period of time where the one phone

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 number was dialing the other?

2 A Yes.

3 MR. BOVE: And if we can bring up the redacted  
4 mobility logs that we were looking at.

5 Thank you.

6 Q You see on the right side there is a column, IMEI on  
7 there?

8 A Yes.

9 Q That's International Mobile Equipment Identity, right?

10 A Yes.

11 Q And that is, actually, a number that is linked to a  
12 physical device, right?

13 A Yes.

14 Q So that IMSI, travels with a SIM card you pulled out  
15 from another phone, right?

16 A Yes.

17 Q But on this record, where it says IMEI on it, that is  
18 a specific reference to a particular phone, correct?

19 A A device, yes.

20 MR. BOVE: There is one unredacted page that I  
21 would like to show just the witness, Judge, if that is all  
22 right.

23 THE COURT: Sure.

24 MR. BOVE: So, Mr. Bernik, this is for the  
25 parties, the Court and the witness, part of Government

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 Exhibit 400 that ends with Bates 1093, please.

2 Q And I just want to make sure that I understand the  
3 Feature column, and so, we are going to go through a couple of  
4 these, and I am going over to the table so I can see as well.

5 MR. BOVE: And so, let's — if we could zoom in  
6 on the Feature column for item seven and eight on this  
7 page.

8 Q And, Mr. Dixon, while we are doing that, are you  
9 familiar with the codes in the Feature column?

10 A Yes.

11 Q And so, do you see where it says, NIOP?

12 A Yes.

13 Q And that's Call Number Identity Presentation, right?

14 A Yes.

15 Q Basically an incoming call?

16 A Correct.

17 Q And then do you see where it says, CFNA?

18 A Yes.

19 Q Calling Number Identity Presentation, right?

20 A No. CFNA is Call Forwarding No Answer.

21 Q And then the next one is VM, Voice-mail?

22 A Yes.

23 Q So, am I understanding this right, that when I see  
24 something like this in the Feature column, what I am looking at  
25 is a call that is dialed and then it goes to voicemail, right?

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 A Yes.

2 Q And in the AT&T records, each account has a separate  
3 phone number for voicemail, right?

4 A Not each account, but each voicemail magistrate. So,  
5 there is another number entailed with voicemail.

6 Q Was it voicemail magistrate that you said?

7 A Voicemail box.

8 Q And so, that an incoming call to the number associated  
9 with this account, again, gets forwarded to that voice-mail  
10 inbox, right?

11 A Yes.

12 MR. BOVE: Now, if we can stay on these two rows,  
13 items seven and eight, and if you can zoom in on  
14 Originating Number and Terminating Number.

15 Q And so, you see here there is a D in parentheses?

16 A Yes.

17 Q That stands for dialed, right?

18 A Yes.

19 Q And so, there is an originating number that dialed  
20 that 0114 number, right?

21 A Yes.

22 Q And then where you see the F in parentheses —

23 A Yes.

24 Q — that is the number getting forwarded to the  
25 voicemail inbox, correct?

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 A Yes.

2 Q And that's what the F means?

3 A Yes.

4 MR. BOVE: I have nothing further, Judge.

5 THE COURT: Any redirect?

6 MR. CONROY: I have nothing, Judge.

7 Thank you.

8 THE COURT: Thank you, sir.

9 You can step down.

10 (Witness is excused.)

11 THE COURT: Would you like to call your next

12 witness?

13 MR. CONROY: Yes, Judge.

14 At this time the People call Jennie Tomalin.

15 COURT OFFICER: Witness entering.

16 (Whereupon, the witness entered the

17 courtroom.)

18 COURT OFFICER: Good morning.

19 Step up. Remain standing, please.

20 Raise your right hand and face the Clerk.

21 THE CLERK: Do you solemnly swear or affirm that

22 the testimony you are about to give before this Court will

23 be the truth, the whole truth and nothing but the truth?

24 THE WITNESS: Yes, I do.

25 THE CLERK: Thank you.

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 COURT OFFICER: State your full name and spell  
2 your last name.  
3 THE WITNESS: It's Jennie Tomalin, T-O-M-A-L-I-N.  
4 COURT OFFICER: Your county of residence.  
5 THE WITNESS: Mercer County.  
6 THE COURT: Good morning.  
7 You may inquire.  
8 J E N N I E T O M A L I N,  
9 called as a witness on behalf of the People, being first duly  
10 sworn by the Clerk of the Court, was examined and testified as  
11 follows:  
12 Q Good morning, Ms. Tomalin.  
13 Are you employed?  
14 A Yes, I am.  
15 Q Where do you work?  
16 A Verizon.  
17 Q What kind of company is Verizon?  
18 A We are a telecommunications company.  
19 Q What is your job title?  
20 A I am a Senior Analyst in Executive Relations.  
21 Q How long have you been in that role?  
22 A Since 2017; so, seven years.  
23 Q And what are your duties and responsibilities in that  
24 role?  
25 A My duties include appearing in court as a custodian of

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 records to testify to records previously produced in response  
2 to subpoenas, court orders and search warrants.

3 Q What did you do at Verizon before you were in that  
4 role?

5 A I was a Subpoena Compliance Coordinator of the Verizon  
6 Security Assistance Team.

7 Q How long have you been at Verizon?

8 A Eighteen years.

9 Q And in your time at Verizon, have you become familiar  
10 with Verizon's recordkeeping practices?

11 A Yes, I have.

12 Q And you understand that you are here today testifying  
13 as a custodian of records for Verizon?

14 A Yes, I do.

15 Q And are you here because Verizon received a subpoena  
16 asking for custodian testimony?

17 A Yes, I am.

18 Q Relating, specifically, to its phone business, does  
19 Verizon keep subscriber and call records?

20 A Yes, we do.

21 Q Generally, what are call records?

22 A Call records for the wireless side are billable  
23 incoming and outgoing calls. On the wired-line side, call  
24 records will be tolls or billable outbound calls.

25 Q And what are subscriber records?

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 A Records that contain the financial responsible party  
2 for the line of service or account, including any contact  
3 information, address, et cetera.

4 Q Does Verizon make and keep subscriber and call records  
5 in the regular course of its business?

6 A Yes, we do.

7 Q And is it the regular course of Verizon's business to  
8 make and keep such records?

9 A Yes, it is.

10 MR. CONROY: I am going to ask that the witness  
11 be handed a thumb drive.

12 Thank you.

13 Q Ms. Tomalin, if you take a look at that thumb drive,  
14 does that thumb drive contain a set of Verizon records that  
15 have been marked for identification as People's Exhibit 401?

16 A Yes, it does.

17 Q And before coming to court today, did you have a  
18 chance to review the records on that thumb drive?

19 A I did.

20 Q And is that the thumb drive you reviewed?

21 A Yes, it is.

22 Q How do you know that?

23 A Because I initialed and dated the thumb drive.

24 Q Are the records contained in People's 401 for  
25 identification on that thumb drive call and subscriber records?

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 A Yes, they are.

2 Q How many different phone numbers do they relate to?

3 A Twelve.

4 Q Do those phone numbers all belong to Verizon  
5 customers?

6 A Yes.

7 Q Do all of the phone records, both subscriber and call  
8 records, relate to the general time period of 2015 to 2018?

9 A Yes.

10 Q Did Verizon make and keep the subscriber and call  
11 records contained in People's Exhibit 401 for identification in  
12 the regular course of its business?

13 A Yes.

14 Q Was it the regular course of Verizon's business to  
15 make and keep these particular records?

16 A Yes.

17 Q Are the entries made on these documents made at the  
18 time of the recorded events or transactions took place or  
19 written a reasonable time thereafter?

20 A Yes.

21 Q Is the date contained in these reports captured — I  
22 am sorry. Is the data contained in these reports captured  
23 through an automated process and stored in the electronic  
24 database?

25 A Yes.

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 Q Does Verizon rely on the accuracy of that automated  
2 process and electronic database?

3 A Yes.

4 Q Can Verizon employees run reports that capture data  
5 from the electronic database?

6 A Yes.

7 Q Are they under a business duty to do so accurately?

8 A Yes.

9 MR. CONROY: At this point I am going to offer  
10 People's Exhibit 401 into evidence.

11 MR. BOVE: No objection.

12 THE COURT: It's accepted into evidence.

13 (Whereupon, People's Exhibit 401 is received into  
14 evidence.)

15 MR. CONROY: If we can now pull up — I think I  
16 am running a little behind here. If we can pull up a  
17 redacted page from one of the call records.

18 Q Displayed in front of you and for the room is a  
19 redacted page from People's 401 which bears the Bates stamp  
20 DANY GJ, triple 0, 64777.

21 Is this a representative sample of a call record for a  
22 Verizon phone number?

23 A Yes, it is.

24 Q Does this page that we are looking at contain  
25 redactions?

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 A Yes, it does.

2 Q Did you have a chance to compare this redacted page to  
3 the original page that is part of what's in evidence as  
4 People's 401?

5 A Yes, I did.

6 Q But for the redactions, are the pages identical?

7 A Yes.

8 Q Could you just walk us through the columns on this  
9 page and explain what each one is?

10 A Yes. Starting on the left, the Date column identifies  
11 the date that the call began.

12 The Time column identifies the time the call began.

13 The Number column will identify the telephone number  
14 that the target telephone number was communicating with.

15 The Rate and Usage Type columns identify what portion  
16 of a customer's calling plan will be applied to these calls.

17 The Origination column identifies the geographical  
18 area for which we are billing the target telephone number while  
19 making or receiving the telephone call.

20 The Destination Call Logs for FM calls, identified by  
21 the home area of the telephone number being called.

22 For Incoming Calls it will reflect incoming CL or any  
23 other code that is needed with that call.

24 The Min column, identifies the length of the call in  
25 minutes.

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 Air Time Charges, Long Distance/Other Charges and  
2 Total, those three columns identify any financial charges  
3 assessed to that call respectively.

4 Q Just a couple of quick questions.

5 In the MIN column, is that minutes?

6 A Yes, it is.

7 Q And how does that work?

8 Does it reflect seconds, or does Verizon round in a  
9 standard direction?

10 A On the bill we round up.

11 Q And with respect to the time shown for each of those  
12 calls, what timezone does Verizon keep its records in?

13 A They — the timezone should be the timezone for the  
14 City and State reflected in the origination column.

15 Q So, when we look at the date and time columns,  
16 together with the origination column, that should tell us the  
17 timezone that that call is being reflected in?

18 A Yes.

19 MR. CONROY: Thank you.

20 I have no further questions.

21 THE COURT: You may inquire.

22 MR. BOVE: Thank you, Judge.

23 CROSS-EXAMINATION

2 4 BY MR . BOVE:

25 Q Good morning, Ms. Tomalin.

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 A Good morning.

2 Q My name is Emil Bove and I represent President Trump,

3 who is over here on my left.

4 I want to talk a little bit about the subscriber

5 records that are part of Exhibit 401 if we could.

6 A Yes.

7 MR. BOVE: Because they are not redacted, I am

8 just going to ask —

9 THE COURT: Sure.

10 MR. BOVE: So, Mr. Bernik, this is just for the

11 Court, the parties and the witness.

12 Q Take a look at the spreadsheet with Bates ending

13 64591.

14 And Ms. Tomalin, do you see that in Column D it says,

15 MTN?

16 A Yes.

17 Q That's Mobile Telephone Number in Verizon records,

18 right?

19 A Yes.

20 Q The phone number linked to the account, correct?

21 A Yes.

22 Q And so, if you look at cell D3, Column D, row three,

23 that row relates to telephone number ending 5361?

24 A Yes.

25 Q And if you look, staying on that row, at Columns F and

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 G, the subscriber name is Keith Davidson linked to this number?

2 A Yes.

3 Q So that when you say, subscriber name, that's  
4 information that somebody provided to Verizon saying that I am  
5 a person who is linked to this account, right?

6 A Yes.

7 MR. BOVE: And Mr. Bernik, if we could scroll  
8 over to Column AA, please.

9 Q Do you see where it says, MTN Effective Date?

10 A Yes.

11 Q So, that's a Mobile Telephone Number Effective Date,  
12 right?

13 A Correct.

14 Q That indicates the date on which this phone number was  
15 linked to the account, right?

16 A That's right.

17 Q So, for this row, what does it say for this row?

18 I am sorry. I can't see.

19 A That was row three, correct?

20 Q Yes. Thank you.

21 A April 30, 2010.

22 Q So, for this record, as of April 30, 2010, going  
23 forward, this number was linked to the particular account  
24 that's reflected in this subscriber information, right?

25 A Correct.

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 Q And for purposes of this record, prior to April of  
2 2010, this record doesn't have anything to say about that,  
3 correct?

4 A Correct.

5 Q And phone numbers can shift from account to account  
6 and person to person, right?

7 A Yes.

8 Q And so, you know, it's entirely possible that  
9 pre-April 2010, this number belonged to somebody else, right?

10 A Yes.

11 Q I just — I have one question about the toll records  
12 that we looked at in Government Exhibit 401. Those sorts of  
13 looked like the phone bills that I might get for my cellphone,  
14 right?

15 A Yes.

16 Q And you said Verizon rounds up on the Duration field?

17 A Yes.

18 Q So, if there was a call that lasted 15 seconds, does  
19 that bump up to one minute?

20 A Yes.

21 Q And if a call lasted one second, it bumps up to one  
22 minute also?

23 A Yes.

24 MR. BOVE: Thank you.

25 THE COURT: Anything else?

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 MR. CONROY: No, Judge.  
2 THE COURT: Thank you.  
3 You may step down.  
4 THE WITNESS: Thank you.  
5 (Whereupon, the witness is excused.)  
6 THE COURT: All right, jurors. Let's take our  
7 morning recess.  
8 Please remember my admonitions. See you in a few  
9 minutes.  
10 COURT OFFICER: All rise.  
11 (Whereupon, the jury exited the courtroom.)  
12 THE COURT: You may be seated.  
13 People, is there anything you want to discuss at  
14 this time?  
15 MR. STEINGLASS: No. We have to modify the  
16 exhibit as we discussed before.  
17 THE COURT: I believe there was also an objection  
18 from the Defense.  
19 MR. BOVE: Yes, Judge.  
20 THE COURT: Is this a good time to take up the  
21 objection?  
22 MR. BOVE: Yes, your Honor.  
23 THE COURT: Let's do that.  
24 MR. BOVE: So, Government Exhibit 411, it would  
25 be 411-B is the proffered exhibit, is an excerpt of — an

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1           excerpt of an — excuse me, excerpt of an interview of  
2           President Trump by Larry King in 1999.  
3           And, in substance, there is a question, what are  
4           your views on campaign finance reform?  
5           And part of what President Trump said in response  
6           to that in 1999 is that he is very experienced with the  
7           campaign finance laws, and I think the clip is limited to  
8           just about that.  
9           Our position is that that is not relevant with  
10          respect to President Trump's state of mind in 2016 and 2017  
11          because there has been extensive revisions to the campaign  
12          finance laws in the intervening period, both statutory and  
13          in the Supreme Court.  
14          Whatever President Trump may have said in 1999  
15          about his knowledge of the campaign finance laws is not  
16          probative of his state of mind in 2016 and 2017.  
17          MS. MANGOLD: Your Honor, we disagree. We think  
18          that Defendant's admission that he has extensive knowledge  
19          of campaign finance laws is obviously directly relevant to  
20          the case.  
21          We understand that there were, as Mr. Bove noted,  
22          extensive changes to campaign finance laws in 2002. We  
23          believe that's a reference to the McCain/Feingold Act.  
24          However, the separate contribution ban, which is  
25          the one that's relevant here, has been part of campaign

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 finance laws since 1907, so close to 90 years before  
2 Mr. Trump made the admission in that video.  
3 And to the extent that defense counsel argues  
4 that the clip predates the relevant time period, that's an  
5 issue that goes to weight and not admissibility.  
6 THE COURT: Do you have any other argument?  
7 MR. BOVE: No. That's our position, Judge.  
8 THE COURT: All right.  
9 I will rule after the break.  
10 (Short recess is taken.)  
11 SERGEANT: Remain seated. Come to Order.  
12 Part 59 is back in session.  
13 THE COURT: All right.  
14 Two things regarding the People's application, I  
15 understand what you are saying, that the laws did not  
16 change between 1999 and 2017. I still feel that that's  
17 pretty attenuated.  
18 Plus, you are asking the jurors to draw an  
19 inference that because he knew the laws in 1999, he still  
20 knew them in 2015 and 2017. I think that's a lot of  
21 speculation.  
22 I am going to side with the Defense and preclude  
23 you from introducing that.  
24 Regarding scheduling today, we have two more  
25 witnesses, right, today?

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 MR. STEINGLASS: Yes.

2 THE COURT: And how long do you expect the

3 witnesses to be?

4 MS. MANGOLD: I think we probably have an hour in

5 total.

6 THE COURT: In total?

7 MS. MANGOLD: In total.

8 THE COURT: So, are we okay working until one

9 o'clock, or maybe a little bit longer than one o'clock, so

10 we will end in the morning and not come back in the

11 afternoon?

12 MR. BLANCHE: Yes, your Honor.

13 MS. MANGOLD: Yes.

14 MR. STEINGLASS: Your Honor, I have a legal

15 matter about an exhibit that we can take up after the

16 witnesses are done.

17 I don't think it will take long.

18 THE COURT: Let's get the jury, please.

19 SERGEANT: All rise, jury entering.

20 (Whereupon, the jury entered the courtroom.)

21 THE COURT: You may be seated.

22 THE CLERK: Case on trial continued.

23 All jurors are present and properly seated.

24 THE COURT: Jurors, before we call the next

25 witness, I wanted to talk about the schedule for the rest

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 of the day.

2 I am told that we only have two more witnesses  
3 that are relatively short. Today's plan is we are going to  
4 work until about one o'clock or whatever time we get done  
5 so you don't have to come back in the afternoon.

6 Let's call the next witness, please.

7 MS. MANGOLD: The People recall Georgia  
8 Longstreet.

9 (Whereupon, the witness resumed the stand.)

10 THE COURT: Ms. Longstreet, you are still under  
11 oath.

12 You may inquire.

13 MS. MANGOLD: Thank you, your Honor.

14 GEORGIA LONGSTREET,  
15 called as a witness, being previously sworn, was examined and  
16 testified further as follows:

17 Q Welcome back, Ms. Longstreet.

18 Can you remind everyone where you work and what your  
19 position is?

20 A Yes. I work for the New York County District  
21 Attorney's Office, and I am a paralegal.

22 Q The last time you were here, I believe you testified  
23 that your duties and responsibilities include locating and  
24 saving social media posts relevant to the case?

25 A Yep.

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 Q Is that your primary job function, or do you have many  
2 other duties and responsibilities in addition to that one?

3 A Many other duties and responsibilities.

4 Q Do your other duties and responsibilities include  
5 analyzing materials produced to the District Attorney's Office  
6 in response to subpoenas?

7 A Yes.

8 Q Does that include analyzing records of communications  
9 like text messages and call messages?

10 A Yes.

11 Q Does that include analyzing contact information?

12 A Yes.

13 Q Does it include matching contact information to text  
14 and call records?

15 A Yes.

16 Q Do your duties and responsibilities also include  
17 locating and reviewing filings from other court proceedings  
18 that may be relevant to this case?

19 A Yes.

20 Q And do they also include keeping track of key events  
21 related to the case?

22 A Yes.

23 Q Now, you previously testified that you were assigned  
24 to work on a matter involving Donald Trump about a year and a  
25 half ago, right?

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 A Yep.

2 Q Are you the only paralegal who works on this matter?

3 A I am not.

4 Q Who else works on the matter with you in the paralegal  
5 capacity?

6 A There are two other paralegals, Nishant Bhaumik and  
7 Jaden Jarmel-Schneider.

8 Q In addition to your own work, are you familiar with  
9 the work done by the other paralegals on the case?

10 A Yes.

11 Q How are you familiar with that?

12 A I like to think we all work as one. We all kind of do  
13 the same things.

14 Q And do you know what work they do in addition to your  
15 own?

16 A Yep.

17 Q As part of your role on the matter involving Donald  
18 Trump, are you, Mr. Bhaumik and Mr. Jarmel-Schneider  
19 responsible for reviewing materials produced to the DA's Office  
20 in response to subpoenas?

21 A Yes.

22 Q And does that include analyzing records of  
23 communications like text messages and phone calls?

24 A Yes.

25 Q Does that include analyzing contact information that

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 is relevant to this case?

2 A Yes.

3 Q And does that include matching contact information to  
4 text and call records for this case?

5 A Yes.

6 Q Are the records provided to the District Attorney's  
7 Office for this case in multiple different formats?

8 A Yes.

9 Q Are you, Mr. Bhaumik and Mr. Jarmel-Schneider required  
10 to analyze and work with the data in all of those different  
11 formats?

12 A Yes.

13 Q And is the data provided in different timezones?

14 A Yes.

15 Q And are you, as part of your job, required to convert  
16 timezones in order to analyze the data?

17 A Yes.

18 Q In total, approximately, how many pages of text  
19 messages have you, Mr. Bhaumik and Mr. Jarmel-Schneider  
20 reviewed in connection with the case?

21 A Pages, I would say, maybe like 2500.

22 Q How many have you personally reviewed?

23 A Probably around a hundred.

24 Q Approximately, how many pages of call records have  
25 you, Mr. Bhaumik and Mr. Jarmel-Schneider reviewed in

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 connection with the case?

2 A Over 10,000 pages.

3 Q And how many have you personally reviewed?

4 A Probably around two to 3,000.

5 Q Approximately, how much contact information have you  
6 and the other paralegals reviewed in connection with the case?

7 A Probably around 300 to 500 pages.

8 Q And how many have you personally reviewed?

9 A One hundred to 200.

10 Q Approximately, how many contacts have you and the  
11 other paralegals have had to match with text and phone records?

12 A About 50.

13 Q Did you and Mr. Bhaumik and Mr. Jarmel-Schneider also  
14 review and save public court filings that could be relevant to  
15 the case?

16 A Yes.

17 Q Approximately, how many legal proceedings did you and  
18 the other paralegals review and save items from?

19 A Approximately, 75 different cases.

20 Q Approximately, how many individual court filings,  
21 total, did you and the paralegal team review and save?

22 A About 500.

23 Q Through your work on the case, are you familiar with  
24 an important — I am sorry — dates of important court filings?

25 A Yes.

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 Q Before testifying today, did you have an opportunity  
2 to review files marked for identification as People's Exhibits  
3 407-F, 407-G, 407-H and 407-I?

4 A Yes.

5 Q Are they public posts from the Twitter handle  
6 @realDonaldTrump.

7 A Yes.

8 Q Who retrieved and saved those posts?

9 A I did.

10 Q Did you save them in a particular way?

11 A I did.

12 Q And did you save them in the same way that you saved  
13 the previous Twitter posts that we discussed last time?

14 A Yes.

15 Q Can you briefly remind the jury what that was?

16 A Yes. So, I just used the platform or the tool that we  
17 have to screenshot, and I then screenshot the post, save it to  
18 a folder that was relevant to the post and then hashed the  
19 post.

20 Q And hashing, again, is a way to uniquely identify each  
21 post?

22 A Yeah.

23 Q Are these exhibits exact copies of the public posts  
24 that you saved and hashed?

25 A Yes.

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 MS. MANGOLD: The People now offer into evidence  
2 Exhibits 407-F, G, H and I.

3 MR. BLANCHE: Your Honor, the same objection as  
4 discussed last week.

5 THE COURT: Your objection is noted and  
6 overruled. People's Exhibits 407-F, G, H and I are  
7 accepted into evidence.

8 (Whereupon, People's Exhibits 407-F, G, H  
9 and I were received into evidence.)

10 MS. MANGOLD: All right.

11 Can you please display what's now in evidence as  
12 People's Exhibit 407-F?

13 BY MS. MANGOLD:

14 Q Ms. Longstreet, is this a Twitter post?

15 A Yes.

16 Q And I think last time you explained some aspects of  
17 the social media platform Twitter and how it operated in 2016?

18 A Yep.

19 Q In addition to those questions, can you explain what a  
20 thread is?

21 A Yes. So, Twitter has a character limit which only  
22 allows you to put a certain amount of characters for one tweet.  
23 So, a way that some users are able to get around the character  
24 limit is by posting multiple tweets in the same thread so they  
25 are kind of connected to each other in a sense.

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 Q And is this an example of a thread?  
2 A Yes.  
3 Q Is the first post — I am sorry — is the top post  
4 shown here the first one in time?  
5 A Yep.  
6 Q Were all of these posts made the same day?  
7 A Yes.  
8 Q What Twitter handle was used to make these posts?  
9 A @realDonaldTrump.  
10 Q What's the date and time shown for the top post?  
11 A April 21st, 2018 at 9:10 am.  
12 Q Can you please focus on just the top post?  
13 Can you read the top post to the jury?  
14 A Yes.  
15 The New York Times and a third-rate reporter named  
16 Maggie Haberman, known as a Crooked H flunkie, who I don't  
17 speak to and have nothing to do with, are going out of their  
18 way to destroy Michael Cohen and his relationship with me in  
19 the hope that he will flip. They use — dot, dot, dot.  
20 MS. MANGOLD: Can you pull up the bottom two  
21 posts, please?  
22 Q Can you read those?  
23 A Non-existent sources and a drunk slash drugged up  
24 loser who hates Michael, a fine person with a wonderful family,  
25 Michael is a businessman for his own account slash lawyer who I

Susan Pearce-Bates, RPR, CCR, RSA

1 always liked and respected. Most people will flip if the  
2 Government lets them out of trouble, even if it means lying or  
3 making up stories. Sorry, I don't see Michael doing that  
4 despite the horrible Witch Hunt and the dishonest media.

5 Q What's the date for all three of the posts?

6 A April 21, 2018.

7 MS. MANGOLD: You can take that down.

8 Q Did the court filings that you reviewed include a  
9 Federal criminal case for Michael Cohen?

10 A Yes.

11 Q Was one of the court filings the paralegal team saved  
12 for that case a guilty plea?

13 A Yes.

14 Q Do you know the date of that guilty plea?

15 A I believe it was August 21, 2018.

16 MS. MANGOLD: Now, can we please display what is  
17 in evidence as People's Exhibit 407-H?

18 Q Can you see that, Ms. Longstreet?

19 A Yes.

20 Q Is this another Twitter post?

21 A Yes.

22 Q What Twitter handle was used to make this post?

23 A @realDonaldTrump.

24 Q And what is the date and time for this post?

25 A It ends August 22, 2018 at 8:44 a.m.?

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 Q Can you please read this to the jury?  
2 A If anyone is looking for a good lawyer, I would  
3 strongly suggest that you don't retain the services of Michael  
4 Cohen.  
5 Q And is there an explanation point end of that post?  
6 A Yes. Sorry.  
7 MS. MANGOLD: And can we take this down and  
8 display what's in evidence as People's Exhibit 407-I.  
9 Q Is this another Twitter post that you pulled and  
10 saved?  
11 A Yes.  
12 Q What is the Twitter handle used to make this post?  
13 A @realDonaldTrump.  
14 Q What is the date and time shown for this post?  
15 A August 22, 2018, at 9:21 a.m.  
16 Q And is that the same day as the last post we just saw?  
17 A Yes.  
18 Q How long after the post we just saw was this one  
19 posted?  
20 A I would have to see the timestamp.  
21 Q It's fine. But it was posted the same day?  
22 A Yes.  
23 Q Can you read this post to the jury?  
24 A Yes.  
25 I feel very badly for Paul Manafort and his wonderful

1 family. Justice took a 12-year-old tax case, among other  
2 things, applied tremendous pressure on him and unlike Michael  
3 Cohen he refused to break, make up stories in order to get a  
4 deal. Such respect for a great man. Explanation point.

5 MS. MANGOLD: All right.

6 We can take that down.

7 Now, finally, can we display what's in evidence  
8 as People's Exhibit 407-G, please?

9 Can you flip through the pages of this Exhibit  
10 quickly?

11 Q Ms. Longstreet, is this another Twitter post that you  
12 saved?

13 A Yes.

14 Q Is this another example of a thread?

15 A Yes.

16 Q And how many parts does this thread have?

17 A Three.

18 Q What was the Twitter handle used to make these posts?

19 A @realDonaldTrump.

20 Q And what is the date and time shown for the top post?

21 A May 3rd, 2018 at 6:46 a.m.

22 Q And can you please read the post for the jury?

23 A Mr. Cohen, an attorney, received a monthly retainer,  
24 not from the campaign and having nothing to do with the  
25 campaign, from which he entered into through reimbursement a

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 private contract between two parties, known as a Non-Disclosure  
2 Agreement or NDA. These agreements are — dot, dot, dot.

3 MS. MANGOLD: Then move to the second post to the  
4 thread.

5 A Very common amongst celebrities and people of wealth.  
6 In this case it is in full force and effect and will be used in  
7 arbitration for damages against Ms. Clifford, Daniels. The  
8 agreement was used to stop the false and extortionist  
9 accusations made by her about an affair —

10 Q And is this now the final post in the thread?

11 A Yes.

12 Despite already having signed a detailed letter  
13 admitting that there was no affair, prior to its violation by  
14 Ms. Clifford and her attorney, this was a private agreement.  
15 Money for the campaign or campaign contributions played no role  
16 in this transaction.

17 MS. MANGOLD: Thank you.

18 Can we take that down, please?

19 Now, can we show everyone what's already in  
20 evidence as People's Exhibit, 171 A?

21 Q Ms. Longstreet, do you recognize this?

22 A Yes.

23 Q And how do you recognize it?

24 A This was something that the paralegal team had to  
25 analyze in response to subpoena compliance.

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 Q So this was produced — this is a document that was  
2 produced to the DA's Office pursuant to a subpoena?

3 A Yes.

4 Q And you and the paralegal team analyzed the document  
5 after it was received?

6 A Yes.

7 Q Do you —

8 MS. MANGOLD: Can you please blow up the two  
9 middle columns?

10 Q And do you see contact information in those middle  
11 columns?

12 A Yes.

13 Q Based on your work on the case, can you identify the  
14 individuals associated with the contact information provided  
15 there?

16 A Yes.

17 Q So, looking first on the left, there is something  
18 redacted, and then it says, @dylanhoward.com.

19 Is that an email address?

20 A Yes.

21 Q Do you know who that email address is associated with?

22 A Yes.

23 Q Who is it?

24 A Dylan Howard.

25 Q And do you see just below that there is an email

Susan Pearce-Bates, RPR, CCR, RSA

Principal Court Reporter

1 address that ends, @wideeyecommunications.com?

2 A Yes.

3 Q Based upon on your work on the case, can you identify  
4 the individual associated with that email address?

5 A Yes.

6 Q Who is it?

7 A Dylan Howard.

8 Q Looking now to the other column, do you see where it  
9 just has the letter G?

10 A Yes.

11 Q And there are the last four digits of the phone number  
12 shown there?

13 A Yeah.

14 Q Based on your work on the case, can you identify the  
15 individual associated with that phone number?

16 A Yeah.

17 Q Who is it?

18 A Gina Rodriguez.

6 Q. Now, if we take a look at the second page of the PDF.  
7 The same two columns.  
8 MS. MANGOLD: Can we show both the blue and green  
9 portions near the top.  
10 (Displayed.)  
11 Q. So, which column — here is the "to" column, and which  
12 is the "from" column?  
13 A. The "to" column is on the left and the "from" column is  
14 on the right.  
15 Q. Is that typical or is it more standard to have those  
16 columns switched?  
17 A. It's more standard to have them switched.  
18 MS. MANGOLD: Now, can we look at the text — a  
19 few of the text messages on the right, please.  
20 Q. Ms. Longstreet, based on your analysis of the various  
21 calls and text messages, can you tell what time zone this is  
22 in?  
23 A. Yes.  
24 Q. What time zone is that?  
25 A. UTC.

Theresa Magniccari  
Senior Court Reporter

1 Q. What is UTC time?

2 A. UTC time is a standardized time zone for everybody.

3 So I don't remember exactly what UTC stands for. It's three  
4 hours ahead based — depending on when Daylight Savings is.

5 Q. Does it correspond with time zones in London?

6 A. Yes.

7 Q. So the New York time zone for these might depend on  
8 whether it was Daylight Savings Time or not?

9 A. Yes.

10 MS. MANGOLD: If we can zoom back out.

16 CROSS EXAMINATION

1 7 BY MR . BLANCHE:

18 Q. Good morning again, Ms. Longstreet.

19 How are you?

20 A. Good. How are you?

21 Q. We spoke last Friday; correct?

22 A. We did.

23 Q. So I am not going to re-ask all the questions that I  
24 asked last Friday about the work that you did.

25 The first was talking about the tweets and the Truth's

Theresa Magniccari

Senior Court Reporter

1           that you reviewed. I believe you testified last week, but  
2           correct me if I am wrong, that you reviewed thousands of tweets  
3           and Truths as part of your work on this case?

4           A. I did.

5           Q. And the tweets that we saw today, again, you didn't  
6           select which ones to put up out of the thousands that you  
7           reviewed, for example; the table here and to my right selected  
8           them; right?

9           A. That's correct.

10          Q. And since you testified last Friday, have you been  
11          tasked with doing any additional social media reviews of anybody  
12          involved in this case?

13          A. Like additional review that wasn't already being done  
14          before?

15          Q. Yes.

16          A. No.

17          Q. So you're still not reviewing Mr. Cohen's TikTok?

18          A. Not currently, no.

19          Q. You're not aware of something that he TikTok'd two  
20          nights ago, for example, on Wednesday night?

21          MS. MANGOLD: Objection.

22          THE COURT: Overruled.

23          A. I am not.

24          Q. Turning to the number of text messages that you just  
25          read back and forth, you've been in court every day during this

Theresa Magniccari

Senior Court Reporter

1 trial; correct?

2 A. Correct.

3 Q. And you were here when Mr. Pecker testified?

4 A. Yes.

5 Q. And you're aware that he was shown a number of text  
6 messages that he was a participant in; correct?

7 A. Yes.

8 Q. And when he was shown text messages that he was a  
9 participant in, you recall questions being asked of him about  
10 what he meant by that or what his understanding was of what  
11 somebody else sent to him?

12 A. Yes.

13 Q. And you agree that the text messages that you just  
14 read, you have no personal knowledge about the reason they were  
15 sent or even whether they were accurate when they were sent by  
16 either of the folks, Ms. Rodriguez or Mr. Howard; do you?

17 A. No personal knowledge, no.

18 Q. When, for example, Ms. Rodriguez talks about offers  
19 from the Daily Mail and the timing of those offers, you have no  
20 knowledge about whether she was telling the truth; do you?

21 A. No.

22 Q. And you have no knowledge about any of the — no  
23 knowledge about the truthfulness or the reasoning behind the  
24 text that Mr. Howard sent in response, or because of whatever  
25 Ms. Rodriguez said; correct?

Theresa Magniccari

Senior Court Reporter

1 A. Can you ask that again.

2 Q. Sure.

3 You have no personal knowledge about either the  
4 communications that Mr. Howard initiated or that he responded to  
5 in the series of text messages that you were — that you just  
6 read to the jury; correct?

7 A. Correct.

8 Q. It's a long way of saying, you just read what was  
9 written on the exhibit; correct?

10 A. Yes.

11 Q. And that's different, would you agree, than when  
12 Mr. Pecker was asked about the reasoning behind text messages  
13 and what he meant by that; correct?

14 A. Yes.

15 Q. And same with Ms. Hicks?

16 A. Yes.

17 MR. BLANCHE: Excuse me, your Honor.

18 (Brief pause.)

19 Q. Now, by the way, the same with the text messages of  
20 Mr. Cohen, correct, meaning, you didn't read any today, but you  
21 have reviewed as part of your work on this case text messages  
22 sent and received from Mr. Cohen as well; correct?

23 A. Yes.

24 Q. Now, going back briefly to the social media that you  
25 reviewed, were you also tasked with reviewing Ms. Daniels'

1 social media over the last couple of years?

2 A. Yes.

3 Q. And are you continuing to review it during this trial?

4 A. Yes.

5 Q. Did you review it, for example, this week or last  
6 night?

7 A. Not last night, but I think earlier in the week at some  
8 point, yeah.

9 Q. And as part of that review, not limiting it to  
10 Ms. Daniels, but to all the parties that your reviewing, when  
11 you observe something that you believe to be interesting, what's  
12 the process that you use to alert that to your team?

13 A. Well, I think it depends. I think there are some  
14 things that I just know for a fact we would want to have saved  
15 to our case file.

16 There are other things I have a question about, I will  
17 call one of the attorneys and ask them if they think I should  
18 pull it or not.

19 Q. Basically, not to — but based upon the information you  
20 provide them, the Prosecutors that you work with decide whether  
21 to use it or not use it; correct?

22 A. Basically, yeah.

23 MR. BLANCHE: No further questions, your Honor.

24 THE COURT: Anything else?

25 MS. MANGOLD: No, your Honor.

1 (Witness excused.)  
2 \*\*\*  
3 THE COURT: Your next witness.  
4 MR. CONROY: Judge, the People call Jaden  
5 Jarmel-Schneider.  
6 (Witness entering courtroom.)  
7 \*\*\*  
8 THE CLERK: Do you solemnly swear or affirm that  
9 the testimony that you are going to give before this Court  
10 and jury shall be the truth, the whole truth, and nothing  
11 but the truth, do you so swear or affirm?  
12 THE WITNESS: I do.  
13 J-A-D-E-N J-A-R-M-E-L-S-C-H-N-E-I-D-E-R, called as a witness  
14 on behalf of the People, was duly sworn by the Clerk, upon being  
15 examined, testified as follows:  
16 THE CLERK: Have a seat.  
17 COURT OFFICER: State your full name for the  
18 record, spelling your last name.  
19 THE WITNESS: Jaden Jarmel-Scheider, J-A-R-M-E-L,  
20 S-C-N-N-E-I-D-E-R.  
21 COURT OFFICER: County of residence?  
22 THE WITNESS: New York County.  
23 THE COURT: Good afternoon.  
24 You may inquire.  
25 MR. CONROY: Thank you.

Theresa Magniccari

1 DIRECT EXAMINATION

2 BY MR. CONROY:

3 Q. Good afternoon, Mr. Schneider.

4 Where do you work?

5 A. I work at the New York County District Attorney's  
6 Office.

7 Q. How long have you worked there?

8 A. Coming up on two years.

9 Q. And what is your current position there?

10 A. I am a paralegal.

11 Q. What are some of the things that you do as a paralegal  
12 at the DA's office?

13 A. It really runs the gamut. But, in general, we help the  
14 attorneys: Sending out subpoenas and kind of organizing and  
15 analyzing whatever records we receive in response.

16 Q. In your work as a paralegal at the District Attorney's  
17 office, were you assigned to an investigation involving Donald  
18 Trump?

19 A. Yes.

20 Q. As part of your role in that investigation, were you  
21 tasked with analyzing phone records pertaining to the case?

22 A. Yes.

23 Q. Was it phone records and also other kinds of records?

24 A. Yes.

25 Q. Did the phone records include the AT&T records that are

Theresa Magniccari

Senior Court Reporter

1 contained in what was admitted earlier today in People's Exhibit  
2 400?

3 A. Yes.

4 Q. Did it also include the Verizon records that were  
5 admitted into evidence earlier today as People's Exhibit 401?

6 A. Yes.

7 Q. Can you tell us, generally, what is contained within  
8 those phone records?

9 A. So we generally get two kinds of records.  
10 Subscriber records review basic information about the  
11 user associated with the phone record.  
12 Call detail records, which are kind of a log of all the  
13 incoming and outgoing calls associated with whatever number was  
14 subpoenaed.

15 Q. What format are the phone records in when you get  
16 them?

17 A. Depends on the phone carrier.

18 So, for AT&T, we got them as PDF text files, image  
19 files.

20 For Verizon, we get them as Excel spreadsheets and Word  
21 documents and PDF.

22 Q. In your work reviewing various phone records, did you  
23 also review information contained in data extractions from  
24 Michael Cohen's phones?

25 A. Yes.

1 Q. What did you review?

2 A. I reviewed Cellebrite reports, which is the application  
3 used to review the data that is extracted on call logs, contact  
4 lists, calendar invites, various pieces of metadata, et cetera.

5 Q. Did that include what is in evidence — contact  
6 information from those phones, that is in evidence currently as  
7 People's 263 and 264?

8 A. Yes.

9 Q. Did it include text messages that are in evidence as  
10 People's 249 through 251, 255 through 260 and 262?

11 A. Yes.

12 Q. Did it include call logs that are in evidence as  
13 People's 261?

14 A. Yes.

15 Q. Did you also review subscriber information contained in  
16 People's 400 and 401?

17 A. Yes.

18 Q. Did you also review a contact list contained in  
19 People's 69B in evidence?

20 A. I did.

21 Q. In your work on the investigation, did you prepare a  
22 summary report — several summary reports or — withdrawn.

23 Let me rephrase that.

24 In your work on the investigation, did you prepare a  
25 summary report of contact information?

Theresa Magniccari

Senior Court Reporter

1 A. I did.

2 Q. What information did you rely on in making that  
3 report?

4 A. So I looked at the subscriber records that I mentioned  
5 from AT&T and Verizon. I also looked at other pieces of  
6 documentary records; text messages, records, email signatures,  
7 contact lists produced by The Trump Organization. I also looked  
8 at the contact lists that were extracted from Mr. Cohen's cell  
9 phones.

10 Q. What was the purpose of creating this report?

11 A. We wanted to give the jury a sense of how we figured  
12 out which phone numbers were associated with which people. Kind  
13 of where the phone numbers would show up in the evidence that we  
14 ultimately used.

15 Q. Are the records that you relied on in making this chart  
16 all in evidence in this case?

17 A. Yes.

18 MR. CONROY: If we can pull up for the Court and  
19 parties and the witness, but not the jury, what's been  
20 marked as People's 416 for identification.

21 Q. Do you recognize what that is?

22 A. Yes.

23 Q. What is it?

24 A. This is the phone key I was just talking about.

25 Q. You created this?

1 A. I did.

2 Q. Are there redactions in this chart?

3 A. Yes.

4 Q. What is redacted?

5 A. The first six digits of all the phone numbers.

6 Q. Other than that, is this an exact copy of the key that

7 you created?

8 A. Yes.

9 MR. CONROY: At this time, I would offer People's

10 416 into evidence.

11 MR. BOVE: No objection.

12 THE COURT: 416 is accepted into evidence.

13 (Whereupon, People's Exhibit 416 was accepted into

14 evidence.)

15 MR. CONROY: If we can display that to the jury.

16 (Displayed.)

17 Q. Can you walk us through what we're looking at?

18 A. Sure.

19 So in the right column under the heading "Exhibit," it

20 shows what the source document was and what exhibit number it

21 came from.

22 In the left column called "Phone Number," it is the

23 phone number.

24 And the next column is the name as it appears on the

25 source document, on the exhibit.

Theresa Magniccari  
Senior Court Reporter

1 Under the "source column," it's just the kind of  
2 record; email, text, contact list, et cetera.

3 Q. For some of the rows, there is one name associated with  
4 a number, but then there are multiple sources; why is that?

5 A. A lot of the phone numbers we saw in several different  
6 places, so we put various documents that we found them on just  
7 to corroborate that the phone number did belong to the person  
8 that is listed next to them.

9 MR. CONROY: Okay. We can take that down.

10 Q. I now want to talk about another part of the work that  
11 you did with the phone records here. Did you create a number of  
12 summaries of phone records?

13 A. Yes.

14 Q. What was contained in those summaries?

15 A. These are just logs of phone calls between pairs of  
16 people.

17 Q. You mentioned that you received the records that we  
18 just discussed earlier in a number of file formats, particularly  
19 the records now in People's 400 and 401 from AT&T and Verizon.  
20 Starting with the AT&T records, how did you go about  
21 putting data in the summary?

22 A. We have a software that reads through the text files,  
23 the AT&T files. It allows us to file and sort by phone number,  
24 date, caller, et cetera.

25 We uploaded the text files, filtered and sorted and

Theresa Magniccari

Senior Court Reporter

1 formatted them to look pretty.

2 Q. What did you do with the Verizon records?

3 A. So the Verizon records were a particular year. They  
4 came in as a PDF. We made them text readable, uploaded the text  
5 into Excel, wrote simple scripts to extract the information that  
6 was put into a format that was file readable. Then we just  
7 filtered again by date and time, caller phone number, et cetera.  
8 Then formatted them.

9 Q. In addition to what's in evidence as People's 400 and  
10 401, did you include any other records in the call summaries?

11 A. Yes.

12 Q. Do you recall what date?

13 A. In some cases we put calls that were taken off of the  
14 call log that is in evidence as 261, which is calls pulled from  
15 Mr. Cohen's phone.

16 Q. What was the purpose of creating these summaries?

17 A. So, as you might have seen, the phone records are  
18 somewhat hard to decipher. They don't list which caller is  
19 associated with the phone number. They're all different time  
20 zones.

21 And kind of, more importantly, they include a lot of  
22 extraneous outside calls of people that are not relevant. We  
23 wanted to create summaries that were a bit more digestible and  
24 easy and by time zone.

25 Q. You mentioned different time zones; how did you

Theresa Magniccari

Senior Court Reporter

1 standardize the records for the time zones?

2 A. So it differed between AT&T and Verizon.

3 For AT&T, all the time zones were in UTC. We were able  
4 to mass convert them to Eastern Standard Time. We accounted for  
5 Daylight Savings Time.

6 For Verizon, the time zone depended on the location  
7 they were in when they made or received the call. We went  
8 through and determined the location, which was listed on the  
9 call detail records, and converted them to all New York time,  
10 which is to say, we standardized everything to New York time.

11 Q. Now, are the summaries of the phone records based  
12 solely on the information contained in exhibits already in  
13 evidence?

14 A. Yes.

15 Q. And are those the exhibits we already discussed?

16 A. Yes.

17 Q. In preparing the summaries of the phone records, did  
18 you ensure that the information you were including in the  
19 summaries fairly and accurately reflected the information in the  
20 exhibits in evidence?

21 A. Yes.

22 Q. How did you do that?

23 A. So after we made the summaries, we went through  
24 line-by-line and compared to the underlying call detail record.

25 Q. Have you reviewed what's been marked previously as

Theresa Magniccari

Senior Court Reporter

1 People's 337 through 342 and 344 through 349 for identification?

2 A. Yes.

3 Q. And is People's 337 calls between Michael Cohen and  
4 Keith Davidson?

5 A. Yes.

6 Q. Is People's 338 calls between Michael Cohen and Hope  
7 Hicks?

8 A. Yes.

9 Q. Is People's 339 calls between Michael Cohen and Dylan  
10 Howard?

11 A. Yes.

12 Q. Is People's 340 calls between Michael Cohen and David  
13 Pecker?

14 A. Yes.

15 Q. Is People's 341 calls between Michael Cohen and Keith  
16 Schiller?

17 A. Yes.

18 Q. Is People's 342 calls between Michael Cohen and Allen  
19 Weisselberg?

20 A. Yes.

21 Q. Is People's 344 calls between Keith Davidson and Gina  
22 Rodriguez?

23 A. Yes.

24 Q. Is People's 345 calls between Dylan Howard and Keith  
25 Davidson?

Theresa Magniccari

Senior Court Reporter

1 A. Yes.

2 Q. Is People's 346 calls between Dylan Howard and David  
3 Pecker?

4 A. Yes.

5 Q. Is People's 347 calls between Dylan Howard and Gina  
6 Rodriguez?

7 A. Yes.

8 Q. Is People's 348 calls between The Trump Organization  
9 and Michael Cohen?

10 A. Yes.

11 Q. Is People's 349 calls between the Defendant and Michael  
12 Cohen?

13 A. Yes.

14 Q. And are those the phone summaries that you created?

15 A. Yes.

16 MR. CONROY: At this time, I offer People's 337  
17 through 342 and 344 through 349 into evidence.

18 MR. BOVE: No objection.

19 THE COURT: 337 through 342 and 344 through 349  
20 are received into evidence.

21 MR. CONROY: Thank you.

22 (Whereupon, People's Exhibits 337 through 342  
23 and 344 through 349 were received and marked into  
24 evidence.)

25 MR. CONROY: If we can pull up what's in evidence

1 as People's 342 for everybody.

2 (Displayed.)

3 Q. And if you could, again, sort of explain to us about  
4 what the different columns are and what we're seeing.

5 Is this a representative example of one of the  
6 summaries that you created?

7 A. Somewhat short one, but, yes.

8 Q. But, basically, they all look the same; some may be  
9 longer?

10 A. Yes.

11 Q. Is this call between Michael Cohen and Allen  
12 Weisselberg?

13 A. Yes.

14 Q. Do we see that on the top left of the chart?

15 A. Yes.

16 Q. We saw some redactions. What is redacted in these  
17 charts?

18 A. The first six digits of every phone number.

19 Q. What are the numbers next to Michael Cohen and the name  
20 Allen Weisselberg?

21 A. Michael Cohen has 0114 and Allen Weisselberg has 7224  
22 and 4509.

23 Q. Can you walk us through what this chart demonstrates?

24 A. So the left column is the date and time in Eastern  
25 Time.

Theresa Magniccari

Senior Court Reporter

1           The second column is the date and time in UTC, which is  
2           how it was originally recorded in the AT&T records.  
3           The "time" column tells whether the call is a text or  
4           voicemail.  
5           The "from" tells you who the call is from, the phone  
6           number.  
7           And the "to" column tells you who the call is to.  
8           The "duration: Is how long the call was, the minutes.  
9           The "source: Column tells you which phone carrier or  
10          where we got the records from.  
11          Q. Thank you.  
12          And, again, I am not going to walk through all of the  
13          exhibits we admitted. Do they all have the same format?  
14          A. Yes.  
15          MR. CONROY: Thank you.  
16          You can take that down.  
17          Could we now pull up what is in evidence as  
18          People's 247.  
19          (Displayed.)  
20          Q. Do you recognize what this is?  
21          A. I do.  
22          Q. What is it?  
23          A. This is a Cellebrite report showing the metadata  
24          associated with the recording that was extracted from Michael  
25          Cohen's phone.

1 Q. Can you see on this report the approximate time that  
2 the recording ended?

3 A. Not exactly, but you can figure it out. The timestamp  
4 of the recording is 10:56 and 42 seconds a.m. in New York time.  
5 And the duration of the recording is 2 minutes and 51 seconds.  
6 If you add them together, the recording ended at 10:59 and about  
7 30 seconds a.m. in New York City time.

8 MR. CONROY: Okay. We can take that down.

9 Q. Did you also review the call records already in  
10 evidence as People's 400 and 401?

11 A. I did.

12 Q. Did you review records relating to the phone ending in  
13 0114?

14 A. Yes.

15 Q. Who did that phone number belong to?

16 A. Michael Cohen.

17 Q. Did you identify incoming calls to that phone number  
18 that began at approximately the same time as the recording  
19 ended?

20 A. Yes.

21 MR. CONROY: Could we pull up from People's 400  
22 the page, Bates Number DANY ID DJ00002726, which is  
23 redacted, to be displayed.

24 (Displayed.)

25 Q. Do you see the call that we just talked about on here?

Theresa Magniccari

Senior Court Reporter

1           A. Yes.

2           Q. What line number is that call on this report?

3           A. It's line 6126192.

4           Q. And what was the connection time on that call?

5           A. This is 2:59 and 53 seconds in UTC time. At that time

6           of year, that would have been at 10:59 and 53 seconds New York

7           City time.

8           Q. How long was the seizure time on this call?

9           A. Twenty-three seconds.

10          Q. And what is the time of this call in relation to when

11          the recording ended that we just looked at on People's 247?

12          A. So the recording ended at 10:59 and about 30 seconds

13          a.m. Eastern Time. So this call was connected about 20, 22, 23

14          seconds later.

15          MR. CONROY: Thank you.

16          We can pull that down.

17          Now, can we pull up just for the parties and the

18          witness and the Judge what has been marked as People's 350

19          for identification.

20          Q. Do you recognize this?

21          A. I do.

22          Q. What is this?

23          A. This is a summary chart of what's in evidence as

24          People's Exhibits 1 through 34.

25          Q. Did you review and confirm People 350 for

Theresa Magniccari  
Senior Court Reporter

1 identification?

2 A. I did.

3 Q. Can you describe how you did that?

4 A. So I looked at the chart and I went back to each  
5 exhibit that it references and cross-referenced to make sure  
6 everything was accurately reflected.

7 Q. What kinds of documents are People's 1 through 34?

8 A. They are invoices, vouchers from The Trump  
9 Organization's Multi Data System and checks.

10 Q. And does the information in the chart that we  
11 designated People's Exhibit 350 for identification exactly  
12 reflect information taken from People's Exhibit 1 through 34 in  
13 evidence?

14 A. Yes.

15 MR. BOVE: I do have an objection. If we can go  
16 to sidebar.

17 (Whereupon, proceedings were held at sidebarz)

18 MR. BOVE: Judge, our objection is just — our  
19 objection is to the text on the bottom right, "false  
20 business records," or something like to that effect.  
21 Some things popped up on the screen.

22 Has it been modified?

23 MR. CONROY: No.

24 MR. BOVE: They're doing it advance. They're  
25 anticipating my objection.

Theresa Magniccari

Senior Court Reporter

1 MR. CONROY: You said your objection —  
2 MR. BOVE: Judge, this is unduly argumentative.  
3 MR. CONROY: This is a summary of the 34 business  
4 records, and essentially it's to assist the jury in  
5 associating the specific business records with counts.  
6 We have no problem with some kind of instruction  
7 to the jury that the title is not in evidence, but these  
8 are records that we're alleging are business records.  
9 THE COURT: What is the purpose for introducing it  
10 into evidence now?  
11 You can probably do it on summation. You can do  
12 it in summation. I think it would be perfectly appropriate  
13 at that time.  
14 MR. CONROY: So could we — I am just trying to  
15 think how we can modify it.  
16 Can we call it "alleged false business records?"  
17 MR. BOVE: There is a title. It says, "The  
18 Counts." I think if you can keep the text on the top,  
19 just redact the title on the bottom. Just get the summary  
20 in.  
21 THE COURT: You have it.  
22 I think for summation you won't have an argument.  
23 Okay?  
24 MR. CONROY: Okay.  
25 (Whereupon, the following proceedings were held in

Theresa Magniccari  
Senior Court Reporter

1 open court:)

2 THE COURT: Mr. Bove, we resolved your objection

3 as discussed at the bench.

4 MR. BOVE: Thank you, Judge.

5 MR. CONROY: If we can — when you are ready,

6 display just for the parties, the Court and the witness the

7 summary chart again.

8 Judge, at this time the People offer People's 350

9 for identification into evidence.

10 MR. BOVE: As modified, no objection.

11 THE COURT: Subject to redaction.

12 (Whereupon, People's Exhibit 350 was received into

13 evidence.)

14 MR. CONROY: If we can display that for everybody.

15 (Displayed.)

16 CONTINUED DIRECT EXAMINATION

1 7 BY MR . CONROY:

18 Q. Can you just walk us through, again — first of all,

19 what is this summarizing?

20 A. This is summarizing People's Exhibits 1 through 34 in

21 evidence.

22 Q. And are there three different rows?

23 A. Yes.

24 Q. Can you tell us what each row indicates?

25 A. The top row are invoices. The middle row are vouchers.

Theresa Magniccari  
Senior Court Reporter

1 And the bottom row are the checks.

2 Q. And, then, are there columns by month?

3 A. Yes.

4 Q. Starting with the invoices, is there only one invoice  
5 for the months of January and February?

6 A. Yes.

7 Q. And below that, for January and February, are there two  
8 vouchers?

9 A. Yes.

10 Q. What information is included in this chart for the  
11 vouchers?

12 A. The dollar amount of the voucher entry in some of the  
13 months, and all of the months the number associated with the  
14 voucher entry.

15 Q. Just going back up to the invoice, what information is  
16 included in the invoice row?

17 A. The date of the invoice and the dollar amount requested  
18 on the invoice.

19 Q. And then below those two things, there is something  
20 called "count number," what is that?

21 A. Each of these exhibits is associated with a count in  
22 the indictment. So, the red "count number" corresponds to that  
23 count.

24

25 (Whereupon, Theresa Magniccari, Senior Court Reporter

was relieved by Laurie Eisenberg, Senior Court Reporter.)

Theresa Magniccari

1 Q And if we could just continue going down January and  
2 February, those two columns, we talked about the one invoice,  
3 two vouchers; and is there only one check?

4 A Yes.

5 Q How many invoices were there, in total, on this chart?

6 A Eleven.

7 Q And can you just read which counts they're associated  
8 with?

9 A Counts 1, 5, 8, 11, 14, 17, 20, 23, 26, 29 and 32.

10 Q After January and February, is there one invoice for  
11 each month for the rest of the year?

12 A Yes.

13 Q Going down to vouchers, same question. Could you just  
14 read the count number for each of the vouchers?

15 A Sure.

16 Counts 2, 3, 6, 9, 12, 15, 18, 21, 24, 27, 30 and 33.

17 Q And is there one voucher for every month in 2017?

18 A Yes.

19 Q And, finally, in checks, could you read the count  
20 number for each check?

21 A Sure.

22 It's counts 4, 7, 10, 13, 16, 19, 22, 25, 28, 31 and 34.

23 Q And after January and February, is there one check for  
24 each of the remaining months in 2017?

25 A Yes.

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 Q And if we look at the column — the column all the way  
2 on the right where there are just three blue boxes, can you  
3 tell us what those are?

4 A It's just tallying up the number of each category of  
5 record.

6 Q And then, at the bottom where it says "business  
7 records"?

8 A This is the total number of business records.

9 Q Is that also the total number of counts in the  
10 indictment?

11 A Yes.

12 MR. CONROY: I have nothing further.

13 THE COURT: Mr. Bove, please.

14 MR. BOVE: Thank you, Judge.

15 May I inquire?

16 THE COURT: Yes.

17 MR. BOVE: Thank you.

18 CROSS-EXAMINATION

19 BY MR. BOVE:

20 Q Mr. Schneider or Mr. Jarmel-Schneider?

21 A Whichever is easier for you.

22 Q What's your preference?

23 A Jarmel-Schneider.

24 Thank you.

25 Q Mr. Jarmel-Schneider, you testified about some call

1 summary charts; right?

2 A Yes.

3 Q That sounded like a lot of work.

4 A Yes.

5 Q At times, arguably, tedious work?

6 A Could be.

7 Q The tolling.

8 A Honestly, I kind of enjoyed it.

9 Q I hear that.

10 Respect.

11 (Laughter from the audience.)

12 Q A lot of that work had to take place before the trial;  
13 right?

14 A All of it.

15 Q Because you've been sitting over here (indicating) the  
16 whole trial; correct?

17 A Yes.

18 Q So, you know that there were summaries that were sort  
19 of finalized from a quality control perspective, from your  
20 standpoint, and then produced to President Trump before the  
21 trial; right?

22 A What do you mean?

23 Q Versions of those charts that were marked as exhibits,  
24 produced and marked as exhibits, were produced to the defense  
25 before the trial; right?

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 A Yes.

2 Q Those are the ones that passed muster, from your  
3 perspective?

4 A I would like to think they all did.

5 Q Right.

6 The ones that were produced before the trial?

7 A Yes.

8 Q Just so we're clear, the ones that are in evidence now  
9 are not actually summaries of every toll between the  
10 participants on the chart; right?

11 A No. That would be tens of hundreds of thousands of  
12 calls.

13 Q Just as an example, going to Exhibit 337 is a call  
14 summary chart, calls between Michael Cohen and Keith Davidson.

15 A Yes.

16 Q And the one that's admitted in evidence is not a  
17 summary of every toll that you have between those two  
18 individuals; right?

19 A Right.

20 We narrowed down by a time period.

21 Q So, there were some deletions from the charts made  
22 this week; right?

23 A Uh, I guess so.

24 Q When you say "narrowed down", some things were cut?

25 A Yes.

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 Q And so, for Mr. Cohen and Mr. Davidson, there's about

2 a page-and-a-half of calls cut from 2018; right?

3 A I don't know from the top of my head.

4 Q Let me think about the best way to do this.

5 I want to show you what's been marked for identification as  
6 Defense P-1.

7 MR. BOVE: Mr. Bernik, this is just for the  
8 parties, the Court and the witness.

9 (Whereupon, the exhibit is shown on the screens  
10 of the witness and the parties.)

11 MR. BOVE: If we could flip to the page that has  
12 Government Exhibit 337.

13 (Whereupon, an exhibit is shown on the screens of  
14 the witness and the parties.)

15 Q You see that?

16 A Yes.

17 MR. BOVE: If you can hold on one second. I think  
18 we're having technical difficulty.

19 (Whereupon, the Defense confers.)

20 (Whereupon, an exhibit is shown on the screens of  
21 the witness and the parties.)

22 Q This is the Government's Exhibit List, right; you  
23 recognize that?

24 A This is some version of it, yes.

25 MR. BOVE: Can we take a look at the first page,

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 please.

2 (Whereupon, an exhibit is shown on the screens of  
3 the witness and the parties.)

4 Q You see it's dated April 16, 2024?

5 A Yes.

6 Q That's right after the trial started; right?

7 A Yes.

8 MR. BOVE: If we can go back to the part that  
9 reflects Exhibits 336 and 337.

10 (Whereupon, an exhibit is shown on the screens of  
11 the witness and the parties.)

12 Q There's Bates ranges in the far-right column; right?

13 A Yes.

14 Q Those are, basically, the page numbers that were on  
15 this exhibit when it was given to the Defense; right?

16 A Yes.

17 Q Do you have a hard copy of 336 up there?

18 A I do not.

19 MR. BOVE: Can I trouble the Government for a  
20 hard copy of 337?

21 (Whereupon, the People give documents to  
22 Mr. Bove, who then gives the document to the court officer  
23 to give to the witness, and the witness reviews the  
24 document.

25 Q People's Exhibit 337 has Bates numbers, and I'll use

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1           it to compare — just a few pages; right?

2           A That's right.

3           Q Because some pages were deleted; right?

4           A Yes.

5           Q And they're from 2018; correct?

6           A Yes.

7           Q And you were here during the cross-examination of

8           Keith Davidson; right?

9           A I was.

10          Q And you were here when the Defense admitted recordings

11          of conversations between Keith Davidson and Michael Cohen;

12          right?

13          A I was.

14          Q And then, a subsequent decision was made to delete

15          toll records from the summary chart in 2018?

16          A No. I don't think that's correct.

17          Q You don't think that time sequence is correct?

18          A I think the time sequence is correct —

19          Q I'm not going to ask you about the purpose.

20          I'm just asking about the time sequence.

21          You were here early this morning when there were some text

22          messages read between Dylan Howard and Gina Rodriguez; right?

23          A Yes.

24          Q You admitted a call summary marked Government

25          Exhibit 344 of marked call records of Keith Davidson and Gina

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1           Rodriguez; right?

2           A Yes.

3           Q That's another exhibit where, this week, a significant  
4           number of calls were removed; right?

5           A I don't know about "significant", but they were  
6           shortened.

7           Q Three pages worth?

8           A I don't know off the top of my head.

9           MR. BOVE: Mr. Conroy, do you have a copy of 344?

10          MR. CONROY: I need the Bates number.

11          Who is it between?

12          MR. STEINGLASS: Rodriguez and Davidson.

13          MR. BOVE: 4269.

14          Q Just to try to move along, you remember deleting  
15          several pages from 344; correct?

16          A Yes.

17          Q Now, you also testified about some call summaries  
18          relating to Michael Cohen; correct?

19          A Correct.

20          Q And one of the phone numbers that you looked at with  
21          respect to Michael Cohen ended in 0144; right?

22          A 0114.

23          Q That's the attention to detail I was talking about.

24          Thank you.

25          So, that's a number that you had to get familiar with

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 because it cut across a bunch of these charts; right?

2 A Yes.

3 Q You testified that you also familiarized yourself with  
4 the electronic phone evidence that's been presented here at the  
5 trial; correct?

6 A Yes.

7 Q And that came in through Mr. Daus; right?

8 A Correct.

9 Q And he testified about the contents of two cell  
10 phones; right?

11 A Yes.

12 Q He called them CP1 and CP2.

13 Do you remember that?

14 A Yes.

15 Q CP1 was associated with the phone number 0114 was his  
16 testimony; right?

17 A That's correct.

18 Q And you looked at those — the data extracted from  
19 those phones to help prepare the summaries; right?

20 A Yes.

21 Q Do you recall what that IMEI number was associated  
22 with — you can say no — with CP1?

23 A It's like a 20-digit code. I don't know.

24 MR. BOVE: If we could bring up for the witness,  
25 the parties, and the Court, Defense Exhibit G-10.

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 Go to Page 3, please.

2 (Whereupon, an exhibit is shown on the screens of  
3 the witness and the parties.)

4 Q Do you see it says "IMEI" labeled at the bottom? It  
5 ends in 997431; correct?

6 A Correct.

7 Q So, that's the IMEI associated with the device  
8 Mr. Daus talked about as CP1; right?

9 A That's my understanding, yes.

10 Q He said it had the number ending 0114; correct?

11 A Correct.

12 MR. BOVE: If we could take a look at Government  
13 319. It's in evidence. Everybody can look at this one.  
14 (Whereupon, an exhibit is shown on the screens.)

15 Q You remember some testimony about this.

16 It's a screenshot of a text message; right?

17 A Yes.

18 Q And there were some questions about whether there were  
19 phone calls around the time of that bottom message.

20 Do you see what that message says?

21 A Yes.

22 Q "The President wants to know if you called David  
23 Pecker again?"

24 Do you see that?

25 A Yes.

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 Q At this trial, you're sort of the guardian of the toll  
2 records; right?

3 A I don't know if I'd say that, but if you say so.

4 Q There are no toll records in evidence that reflect  
5 calls between Hope Hicks and David Pecker around this time  
6 period; are there?

7 A I don't think that's true, but I would have to look at  
8 the underlying records.

9 Q Do you know what they're marked?

10 A It would be in either People's 400 or 401.

11 Hope Hicks wasn't a part of the Verizon records, so it  
12 would be in 401.

13 Q And there's no call summary chart between the phone  
14 calls between Hope Hicks and David Pecker; is that correct?

15 A That's correct.

16 Q The last thing I want to talk about the Government  
17 Exhibit 247, which is in evidence.

18 MR. BOVE: If you could bring that up, please.

19 (Whereupon, an exhibit is shown on the screens.)

20 MR. BOVE: Zoom in as best we can.

21 Q So, this is that recording file off the physical  
22 device marked CPL; right?

23 A Yes.

24 Q And you said based on the file name — there's that  
25 timestamp, time field, that it is dated September 6, 2016?

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 A Yes. That's the timestamp.  
2 Q And then we looked at Government Exhibit 400 for a  
3 call that you said came in around this time?  
4 A Around the time that the recording ended.  
5 MR. BOVE: And so, if we could bring up  
6 Government Exhibit 400 with the Bates ending 2726, please.  
7 If we could ask the Government to do this so we  
8 could have the right redactions.  
9 (Whereupon, an exhibit is shown on the screens.)  
10 MR. BOVE: This can be for everybody.  
11 We can zoom in on rows 2691 and 92, please.  
12 (Whereupon, an exhibit is shown on the screens.)  
13 Q Mr. Conroy asked you some questions about the second  
14 one, 26192; right?  
15 A Uh-huh. Yes.  
16 Q And — but, the one above it, 26191, is related;  
17 correct?  
18 A It's the same call.  
19 Q It's the call that goes to a voicemail; right?  
20 A The first one?  
21 MR. CONROY: Objection.  
22 THE COURT: Overruled.  
23 Q 26191 is a missed call that goes to a voicemail,  
24 reflected in 26192; correct?  
25 A That's not my understanding.

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 Q Were you here this morning when Mr. Dixon testified?

2 A Yeah.

3 Can I explain?

4 Q I'm just going to ask you some questions.

5 A Yes, I understand.

6 Q You can be questioned again by Mr. Conroy.

7 You were here when he testified; correct?

8 A Yes.

9 Q I asked him some questions on the feature call on the  
10 right.

11 A Yes.

12 Q You see where it says "VM"?

13 A Yes.

14 Q For voicemail?

15 A Yes.

16 Q That's the way he explained it; correct?

17 A Yes.

18 Q That's what he said?

19 A Yes.

20 Q So, this call, then — the call reflected in 26192,  
21 according to Mr. Dixon's testimony, reflects a voicemail; does  
22 it not?

23 A If that's what he said.

24 I — I don't want to testify to something I'm not an expert  
25 in.

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 Q But, you were here when he said VM means voicemail;

2 right?

3 A Yes.

4 MR. BOVE: If we could zoom out, please. Just to

5 get oriented.

6 (Whereupon, an exhibit is shown on the screens.)

7 Q The three columns there, the right side there's a

8 field that says IMEI; right?

9 A Yes.

10 MR. BOVE: If we could zoom in on the IMEI column

11 of this whole page, please.

12 Q You were here when Mr. Dixon said the IMEI is the

13 number associated with the physical device itself; right?

14 A Yes.

15 I think you're blowing up the wrong column, but that is my

16 understanding also.

17 Sorry.

18 Q Thank you.

19 Do we have the IMEI up now?

20 A Yes.

21 Q So, you were here when Mr. Dixon said this IMEI number

22 is the number associated with the physical device itself;

23 right?

24 A Yes.

25 Q So, this IMEI associated with the two calls, the

1 missed call and the voicemail that we just talked about, ends  
2 4913; right?

3 A That's correct.

4 Q You just reminded us, did you not, that the IMEI  
5 associated with the CP1 phone ends 4731?

6 A That's correct.

7 Q So, it's a different device; right?

8 A That's right.

9 Q So, it's a voicemail; correct?

10 A If you say so.

11 Q Well, it's "VM"?

12 A Yes.

13 Q You were here when Mr. Dixon said it; right?

14 A Yes.

15 Q So, it's a voicemail to a different physical device  
16 than the one Mr. Daus testified about; right?

17 A To a different physical device, yes.

18 MR. BOVE: Nothing further, Judge.

19 THE COURT: Thank you.

20 Any redirect?

21 MR. CONROY: Just a few questions.

22 REDIRECT EXAMINATION

23 BY MR. CONROY:

24 Q I just want to talk, first, about the summary charts  
25 that you did.

1 All of the calls on those charts are in evidence in other  
2 places; is that right?

3 A Yes.

4 Q Does that include the calls that Mr. Bove was talking  
5 about that when we cut down on the charts, those calls are all  
6 still in evidence; correct?

7 A Yes.

8 Q Why, if you know — if you know, why were those  
9 exhibits shortened?

10 A My understanding is that the decision was always going  
11 to be that we would admit the parts of the call summaries that  
12 were related to what had come out in trial. That's the point of  
13 doing summary charts.

14 We're pretty far down the road now, so we made decisions  
15 about which parts of them to include.

16 Q And you were asked a couple of questions about the  
17 fact that you knew that the charts — the original summary  
18 charts had been turned over to the Defense; is that right?

19 A Yes.

20 Q And you know that the new versions had also been  
21 turned over to the Defense; right?

22 A That's correct.

23 Q And were you aware that there was no objection to  
24 those charts coming into evidence?

25 A Yes.

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 MR. CONROY: If we could pull up what we were  
2 just looking at, the page from People's 400 with the Bates  
3 ending 2726.  
4 (Whereupon, an exhibit is shown on the screens.)  
5 MR. CONROY: If we could pull up the same two  
6 lines we were just looking at, 26191 and 92.  
7 (Whereupon, an exhibit is shown on the screens.)  
8 Q I believe, earlier, or just a minute or two ago on  
9 cross-examination, there was something you wanted to explain  
10 about what you saw in this call that interrupted the call  
11 that's in evidence as 246.  
12 Can you explain that for us?  
13 A Sure.  
14 So, Mr. Bove — Bove — sorry — asked me if these were two  
15 related calls and if the first one was a missed call.  
16 My understanding is this was one call that had two legs.  
17 I'm not sure exactly where it went. But, this is how AT&T  
18 reported a single call that hit multiple stop points through  
19 their system before being connected.  
20 That was the clarification.  
21 Q Okay.  
22 If you know, do people sometimes get new phones and keep  
23 the same phone number?  
24 A I do.  
25 Q Meaning, you do get a new phone and keep the same

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 phone number?  
2 A Yes.  
3 MR. CONROY: I have nothing further.  
4 Thank you.  
5 THE COURT: Mr. Bove?  
6 MR. BOVE: Yes.  
7 Just briefly.  
8 If we could just bring that back up on the  
9 screen.  
10 (Whereupon, an exhibit is shown on the screens.)  
11 RECROSS—EXAMINATION  
12 BY MR. BOVE:  
13 Q The significance of this call is that the recording  
14 from the phone CP1 cut off; right?  
15 A Correct.  
16 Q Cuts off mid-conversation; correct?  
17 A I don't know if it cut off mid-conversation or at the  
18 end of the conversation.  
19 Q It cuts off at some point in the conversation; right?  
20 A It ends.  
21 Q Right.  
22 And it ends before the President is done speaking to  
23 Mr. Cohen; correct?  
24 MR. CONROY: Objection.  
25 THE COURT: Sustained.

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 Q You just gave, essentially, what is a hypothesis about  
2 these two calls on the screens; right?

3 A I am just describing the timestamps on the calls.

4 Q But, you're not accounting for what's on the right  
5 side that says voicemail?

6 A I don't think that's true.

7 I apologize. I don't think I'm not accounting for it.

8 I mean, the significance of the call is the timestamp.

9 Q Well, that's part of the significance.

10 The other part is whether or not the phone call was  
11 actually answered.

12 A Not necessarily.

13 I'm not sure if the recording would have actually cut off  
14 whether it was answered or not. Could have been it just came  
15 in, cut off automatically. I don't know.

16 Q Right.

17 You were here during Mr. Daus' testimony; correct?

18 A Yes.

19 Q You were here when I asked him: You could not do any  
20 forensic analysis to determine the interplay between an  
21 incoming call and the voice recording data; right?

22 MR. CONROY: Objection.

23 THE COURT: Sustained.

24 Q You are aware the recording cuts off, and that's why  
25 you were looking for a toll like this?

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1           A Yes.

2           MR. BOVE: Nothing further.

3           THE COURT: Anything else?

4           MR. CONROY: Nothing further.

5           THE COURT: Thank you, sir.

6           You can step down.

7           (Whereupon, the witness is excused.)

8           THE COURT: People, is that it for today?

9           MR. STEINGLASS: Yes, Judge.

10          THE COURT: All right.

11          Jurors, we're going to stop at this time.

12          Before I excuse you, I am required to give you

13          these admonitions:

14          I remind you to please not talk either among

15          yourselves or with anyone else about anything related to

16          the case.

17          Please continue to keep an open mind.

18          Do not form or express an opinion about the

19          defendant's guilt or innocence until all the evidence is

20          in, I have given my final instructions on the law, and I

21          have directed you to begin deliberations.

22          Do not request, accept, agree to accept or

23          discuss with any person the receipt or acceptance of any

24          benefit or payment in return for supplying information

25          concerning the trial.

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1           (Whereupon, the Defense confers.)  
2           THE COURT: Are you done?  
3           MR. BOVE: Sorry.  
4           THE COURT: Report directly to me any incident  
5           within your knowledge or attempt by anyone to improperly  
6           influence you or any member of the jury.  
7           Do not visit or view any of the locations  
8           discussed in the testimony.  
9           Do not use any program or electronic device to  
10          search for and view any location discussed in the  
11          testimony.  
12          Do not read, nor listen to any accounts or  
13          discussions related to the case. That includes the reading  
14          or the listening to the reading of any transcripts in the  
15          trial or the reading of posts on any court sites.  
16          Do not attempt to research any fact, issue or law  
17          related to the case.  
18          Do not communicate with anyone about the case by  
19          any means, including by telephone, text messages,  
20          telephone, or the internet.  
21          Do not Google or search for any information about  
22          the case, the law which applies to the case, or the people  
23          involved in the case.  
24          Have a good weekend.  
25          See you Monday at 9:30.

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 COURT OFFICER: All rise.  
2 (Whereupon, the jurors and the alternate jurors  
3 are excused.)  
4 THE COURT: Please be seated.  
5 Mr. Blanche, I was going to ask the People if I  
6 could have a copy of People's 350. I think it would be  
7 helpful to the Court in preparing the jury charges.  
8 I wanted to ask if there's any objection to my  
9 receiving that now.  
10 MR. BLANCHE: May I just have one moment?  
11 THE COURT: Sure.  
12 (Whereupon, the Defense confers.)  
13 THE COURT: Was that the number of the document  
14 chart, 350?  
15 MR. CONROY: Yes, Judge.  
16 (Whereupon, the Defense confers).  
17 MR. BLANCHE: Your Honor, we're fine with that.  
18 THE COURT: Okay.  
19 MR. BLANCHE: On the same topic, our intention  
20 was to submit it to the Court, as the Court might have  
21 some proposed charges as well.  
22 There's certainly no objection to the Court  
23 reviewing that.  
24 THE COURT: Thank you. I appreciate that.  
25 That was going to be my next thing.

1           You should feel free to start submitting any  
2           special instructions that you want.  
3           We will definitely have a pre-charge conference  
4           at the appropriate time. I will make my final decisions  
5           then.  
6           You can start bringing matters to my attention  
7           now, if you like.  
8           Tell me about scheduling for next week.  
9           MR. STEINGLASS: Um, we expect to call —  
10          THE COURT: Two witnesses?  
11          MR. STEINGLASS: Yes.  
12          Potentially, two witnesses; and I think it's  
13          entirely possible that we will rest by the end of next  
14          week.  
15          THE COURT: Okay. All right.  
16          MR. STEINGLASS: Also, there was one other  
17          evidentiary matter that Mr. Conroy wanted to raise with  
18          the Court if this is a good time.  
19          THE COURT: Sure. It is.  
20          MR. CONROY: This relates to an exhibit numbered  
21          People's 79, which is a copy of a Severance Agreement for  
22          Allen Weisselberg.  
23          We've had, I think, some conversation with  
24          Counsel about this.  
25          My understanding — but I'm sure they'll let me

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 know if I'm wrong — is that while they object to it  
2 coming into evidence, if your Honor finds it admissible,  
3 they will not — we will not need to call a witness to put  
4 it in.

5 Is that accurate?

6 It's sort of a relevance objection.

7 MR. BOVE: Right.

8 We just want to resolve our other legal  
9 objections.

10 It will come in authenticity-wise subject to the  
11 Court's ruling.

12 THE COURT: Can I take a look at it?

13 MR. CONROY: Sure.

14 Actually, your Honor, I'll hand up a copy of the  
15 chart that's in evidence as 350 with that, as well.

16 THE COURT: Thank you.

17 (Whereupon, the People give the Court documents.)

18 THE COURT: Mr. Bove, what's your objection?

19 MR. BOVE: Judge, this is the Separation  
20 Agreement between The Trump Organization and  
21 Mr. Weisselberg.

22 Mr. Weisselberg's absence from this trial is a  
23 very complicated issue.

24 I wouldn't be surprised if there ends up being a  
25 foundation for a missing witness instruction about the

1           uncalled witnesses being equally unavailable to both  
 2           sides.  
 3           His posture in this trial is as a hearsay  
 4           declarant, which the Government is using, basically, in  
 5           that capacity as a witness.  
 6           Their theory is he conspired, I think, with  
 7           Mr. Cohen; that he gave instructions to Mr. McConney.  
 8           He is in that way, I submit, an uncalled  
 9           Government witness.  
 10          To offer this Agreement, which I think would be  
 11          offered as a way to sort of impeach their own hearsay  
 12          declarant and suggest there's some kind of bias and motive  
 13          that he has to either not be here or acting in a certain  
 14          way, raises a number of complexities in light of  
 15          Mr. Weisselberg's overall situation.  
 16          We think it's unduly prejudicial.  
 17          And it's not particularly relevant, especially in  
 18          a situation where they are offering — where the  
 19          Government is offering his statements.  
 20          I think this would look differently if we had  
 21          sought to offer hearsay from him.  
 22          That's not what we were doing.  
 23          THE COURT: So, it's a hearsay objection?  
 24          MR. BOVE: Not quite.  
 25          Because, as I said, just to make sure, there's no

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 business records hearsay objection.  
2 If your Honor overrules this right now, we're  
3 going to stipulate.  
4 Our objection is to relevance and undue  
5 prejudice.  
6 We don't think it's relevant that he entered into  
7 this Agreement after-the-fact.  
8 And we think it's unduly prejudicial and  
9 confusing in light of the fact that Mr. Weisselberg is in  
10 prison right now and not available to anyone.  
11 THE COURT: So, I understand the relevance of the  
12 objection.  
13 Help me understand the undue prejudice objection  
14 a little bit more.  
15 MR. BOVE: As a result of Mr. Weisselberg's legal  
16 situation, I think that he would, likely — if either side  
17 tried to call him, he would, likely, invoke.  
18 We are not able to elicit testimony because of  
19 those circumstances. We're not able to elicit testimony  
20 that would, potentially, impeach some of the hearsay that  
21 has been offered.  
22 And I think the Government is probably in a  
23 similar situation.  
24 He is, in effect, their witness at this trial as  
25 a hearsay declarant.

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1           In that way, we don't think the Government is  
 2           able to impeach their own hearsay declarant, even in this  
 3           form of impeachment, that he entered into a Settlement  
 4           Agreement after-the-fact, based on a host of situations  
 5           that we don't think is relevant at this trial.  
 6           We think those two considerations require that  
 7           this not come in because of the confusion it would add.  
 8           THE COURT: Thanks .  
 9           People?  
 10          MR. CONROY: Judge, as the Court is aware, there  
 11          has been — there probably will be more discussion of  
 12          Mr. Weisselberg and various things related to him in the  
 13          case.  
 14          And what we are looking to do is explain, from  
 15          our perspective, why he's not here.  
 16          I am sure there will be arguments made by Counsel  
 17          about whether he should have been here and what not being  
 18          here means.  
 19          I think we need this Agreement.  
 20          Our view is that Mr. Weisselberg's interests  
 21          right now are very aligned with the Defendant's. I think  
 22          this Agreement points that out.  
 23          Among other things, there are three payments due  
 24          Mr. Weisselberg during this calendar year for \$250,000  
 25          each; one in June, one in September, and one in December.

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1       Also, if you take a look at the Agreement,  
 2       particularly in Section 3, Employee Promises, in 3(B): The  
 3       employee promises not to verbally or in writing disparage,  
 4       criticize or denigrate the company or any of its current  
 5       or former entities, directors, managers, employees, owners  
 6       or representatives.

7       In Sub D, under 3: The employee promises that,  
 8       except for acts or testimony directly compelled by  
 9       subpoena or other lawful process issued by a court of  
 10      competent jurisdiction, he will not communicate with,  
 11      provide information to or otherwise cooperate in any way  
 12      with any other — with any other person or entity,  
 13      including his counsel or other agents having or claiming  
 14      to have any adverse claims against the company, or any  
 15      person or entity released by this Agreement with regard to  
 16      the adverse claims, or to take any action to induce,  
 17      encourage, instigate, aid, abet, or otherwise cause any  
 18      person or entity to bring or file a complaint, charge,  
 19      lawsuit or other proceeding of any kind against the  
 20      company or any person or entity released by this  
 21      Agreement.

22      Those are just a couple of the provisions.  
 23      And Counsel referred to trying to impeach his  
 24      credibility.  
 25      We're not trying to do that.

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

I           What we're trying to do is explain his absence.  
2           I think, or I would submit, that this Agreement  
3           offers a real explanation for why he is not going to be  
4           here in this trial.  
5           MR. BOVE: We just, respectfully, disagree with  
6           that.  
7           This Agreement is not the reason that  
8           Mr. Weisselberg is not at this trial.  
9           Jeff McConney has a substantial similar Agreement  
10          that is in evidence, but he testified at this trial. And  
11          his availability or lack thereof is much more  
12          straight-forward, has similar terms.  
13          Nobody tried to invoke that Agreement to prevent  
14          him from testifying.  
15          That's just not the case. That's not the reason  
16          Mr. Weisselberg is not here.  
17          The reason Mr. Weisselberg is not a witness to  
18          either side is because the District Attorney's Office  
19          initiated a perjury prosecution in the lead-up to this  
20          case.  
21          Even that sentence, I know, is a very complicated  
22          sentence, Judge.  
23          My point is, to get into any of this, it would  
24          all have to come out.  
25          It's just a rabbit hole that I think is

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 unnecessary for — and it is being offered to impeach  
2 Mr. Weisselberg.  
3 It's being offered to show a bias and a motive  
4 that the Government's own hearsay declarant, they're  
5 saying, has.  
6 It's a much more complicated situation than that.  
7 For those reasons, we don't think it's relevant.  
8 And if it is, it should not come in because of  
9 the prejudice.  
10 MR. CONROY: Very quickly, Judge, with respect to  
11 Mr. McConney, I believe he's gotten all of his payments,  
12 and his Agreement has sort of ended.  
13 The other thing I would say is, if Counsel  
14 prefers, we would be willing to stipulate that  
15 Mr. Weisselberg is in jail for perjury if that solves the  
16 problem.  
17 THE COURT: I think that that would be one way to  
18 solve the problem.  
19 My question is, has anyone attempted to get him  
20 to come in in some way, by serving him with a subpoena  
21 or — in other words, try to compel his testimony?  
22 MR. CONROY: Judge, the People have not.  
23 THE COURT: And have you?  
24 You have an obligation.  
25 MR. BOVE: NO.

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 THE COURT: You referred to how "both sides" are  
2 having difficulty with this issue.

3 MR. BOVE: If I said it that way, I mis — my  
4 point is, I think there's an equally shared access issue.  
5 They have chosen to call or not call him.  
6 We, obviously, have no burden here.  
7 We have not taken steps to try and call him at  
8 this trial.  
9 It's just — it would not resolve the situation  
10 if we stipulated that he was in prison for perjury.  
11 I think it actually further supports my  
12 point, which is, there are a host of reasons that  
13 Mr. Weisselberg is not going to be a witness in this case.  
14 They, the Government, have chosen to not take  
15 steps to call him.  
16 It's a very complicated situation.  
17 It's not completely explained by this document.  
18 It would be misleading to allow this document in  
19 by itself.  
20 It would be further prejudicial — I'm not  
21 suggesting your Honor is requiring for us to stipulate —  
22 for us to stipulate to some negotiated statement about the  
23 perjury situation.  
24 And we think that all of this is sort of a  
25 sideshow for somebody that is — the Government's hearsay

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1           declarant, who they shouldn't be permitted to impeach in  
2           the first place.

3           MR. CONROY: The last thing — hopefully the last  
4           thing, it's not that it's the reason, but it's a reason,  
5           and it's a significant reason that helps explain why he's  
6           not here.

7           THE COURT: I think it would be helpful to me  
8           making my decision if I could see that some efforts were  
9           taken to compel his appearance.

10          I don't have to do this right now; right?

11          MR. CONROY: No.

12          THE COURT: Let me think about it.

13          Right now, it seems to me that we're kind of  
14          trying to jump the gun.

15          We want to explain why he's not here, without  
16          having made every effort to get him here.

17          Section 3(C) — actually, it's 3(D), it says:  
18          Except for acts or testimony directly compelled by  
19          subpoena or other lawful process issued by a court of  
20          competent jurisdiction.

21          It seems to me, if I'm understanding correctly,  
22          that that step has not yet been taken. Not that it has to  
23          be taken.

24          It's a factor for me in making this decision.

25          MR. STEINGLASS: Can I just say one thing on

1           that, Judge?

2           THE COURT: Sure.

3           MR. STEINGLASS: While it's true that we could  
4           subpoena him and put him up there cold, the Agreement  
5           seems to preclude us from talking to him or him talking to  
6           us at the risk of losing \$750,000 of outstanding severance  
7           pay.

8           So, while it is, theoretically, our prerogative  
9           to try to subpoena him, put him up, and see if he would  
10          take the Fifth Amendment in real-time, but do this cold,  
11          is a — I don't think is really the entire point. Even if  
12          it's — even if it's relevant, I don't think it's the  
13          entire point.

14          I think that that Agreement has a very palpable  
15          connection to why that could be an exercise in futility or  
16          a strategically bad decision, to put a witness on the  
17          stand who is under an Agreement like that.

18          THE COURT: Right .

19          I think one way to possibly deal with that is to  
20          do it out of the presence of the jury and put him on the  
21          stand.

22          He can have counsel present.

23          He can be asked a few questions, and he can say,

24          "I'm not going to answer the questions," and then we can  
25          go through the steps that are required for me to find that

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1           he's either unavailable or unwilling to testify.  
2           MR. STEINGLASS: We could do that, Judge, but  
3           then we would still be under the situation of calling the  
4           witness to the stand who's under no obligation with us.  
5           THE COURT: Right .  
6           Then it would be on the record and I've seen it.  
7           MR . STEINGLASS: Right .  
8           THE COURT: Right now, we're speculating. We're  
9           speculating he would honor an Agreement. We're  
10          speculating the degree to which this Agreement dictates he  
11          could not speak to you. We're speculating to the advice he  
12          may or may not be given by counsel.  
13          It's difficult to rule like that.  
14          MR. BOVE: I want to make one last point, because  
15          we're contemplating a lot of process around this.  
16          Mr. Weisselberg has never been on the  
17          Government's witness list.  
18          So, to suddenly try and create this procedure to  
19          get around a way to admit this document — I think we were  
20          procedurally barred this morning from offering an exhibit.  
21          I think there are procedural problems with trying  
22          to add him to the witness list at this point, as well.  
23          THE COURT: I don't see what one thing has to do  
24          with the other.  
25          We're not creating any procedure.

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 This is done. This is done with some frequency.  
2 I've had people produced from jail testify. I've  
3 had other people, who were unwilling to, testify.  
4 But, the only way to know that is to put them on  
5 the stand, out of the presence of the jury, on the record,  
6 under oath.  
7 MR. BOVE: My point is slightly different, is  
8 that even if Mr. Weisselberg came to this trial and was  
9 now willing to testify for any number of reasons he might  
10 decide to, we were entitled to notice of that long before  
11 this trial started.  
12 That's the point I was making.  
13 THE COURT: Did you think there was a possibility  
14 that at some point the People might call Allen Weisselberg  
15 to testify?  
16 MR. BOVE: Not based on the witness list, no.  
17 THE COURT: Is there anything else?  
18 MR. STEINGLASS: No, thank you.  
19 MR. BLANCHE: Your Honor, we have an application  
20 with respect to Mr. Cohen.  
21 It's — we've been pushing the Court, at the risk  
22 of stating the obvious, regarding the Gag Order.  
23 Mr. Cohen continues to speak publicly about this  
24 trial and about President Trump.  
25 As recently as, I believe, Wednesday night, he

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1           was on TikTok, this time talking extensively about — he  
2           was wearing a white T-shirt with a picture of President  
3           Trump behind bars, wearing an orange jumpsuit, and  
4           discussing about how he's now announcing he's running for  
5           Congress.  
6           Our request is, now that we have one week left in  
7           the trial, that he be prohibited from talking. The same  
8           way President Trump is.  
9           The case law speaks to your Honor having the  
10          power to do this.  
11          Sheppard v. Maxwell explicitly states: There may  
12          be instances where the Court not only needs to stop  
13          extrajudicial statements from the parties and the lawyers,  
14          but also from the witnesses or court officials.  
15          Your Honor, it's Friday. We have a couple of days  
16          left.  
17          It's now becoming — it's becoming a problem  
18          every single day that President Trump is not allowed to  
19          respond to this witness, but this witness is allowed to  
20          continue to talk.  
21          He has stated on social media that he's going to  
22          stop talking a couple of different times, and he doesn't.  
23          So, our request is that the Court order — order  
24          the Government to instruct the witness to not talk about  
25          President Trump or — or this case until the case is over.

Laurie Eisenberg, CSR, RPR

Senior Court Reporter

1 THE COURT: Mr. Steinglass?

2 MR. STEINGLASS: Judge, we have repeatedly

3 instructed all of the witnesses in this case, to the

4 extent that we have any control over it, to refrain from

5 making public statements.

6 The fact of the matter is, we have no control

7 over what they do. We have repeatedly, repeatedly asked

8 the witnesses not to do that. Not just Mr. Cohen. All the

9 witnesses.

10 The fact of the matter is, these witnesses are

11 not subject to the Gag Order, and we have no remedy if

12 they engage in those activities.

13 So, all we can do — if the Court is — if

14 Mr. Blanche is asking the Court to order the People to

15 order the witnesses not to do something, we have already

16 done that. Or, to the extent that we have already asked,

17 we have no power to order.

18 And, there's nothing, really, more to say about

19 that.

20 THE COURT: It might be a little bit of a new

21 answer, but I would direct the People to communicate to

22 Mr. Cohen that the judge is asking him to refrain from

23 making any more statements about this case, about

24 Mr. Trump, or about anything related to this case or the

25 process; that that comes from the Bench and that you are

1           communicating that on behalf of the Bench.  
2           MR. STEINGLASS: We will do SO.
